

Disclosure instructions

Authors must disclose the use of generative AI and AI assisted technologies in the writing process by adding a statement at the end of their manuscript in the core manuscript file, before the References list. The statement should be placed in a new section entitled 'Declaration of AI and AI assisted technologies in the writing process'.

Statement: During the preparation of this work the author(s) used [NAME TOOL / SERVICE] in order to [REASON]. After using this tool/service, the author(s) reviewed and edited the content as needed and take(s) full responsibility for the content of the publication.

This declaration does not apply to the use of basic tools for checking grammar, spelling, references etc. If there is nothing to disclose, there is no need to add a statement.

Example:**Declaration of generative AI and AI-assisted technologies in scientific writing**

During the preparation of this work, the author used ChatGPT 4.0 to refine the language. After using this service, the author reviewed and edited the content as needed and takes full responsibility for the content of the publication.

Declaration of Generative AI in Scientific Writing

Article ID :
Article Title : Article Title
Author(s) : First Author Name 1, Second Author Name 2, and Third Author Name 3.

We, the undersigned authors, hereby declare that during the preparation of this manuscript, we utilized generative artificial intelligence (AI) and AI-assisted technologies under the following conditions:

- ✓ The technologies were used solely to enhance readability and improve language quality, and not to replace core research functions such as interpreting data or drawing scientific conclusions.
- ✓ These technologies were applied under human oversight and control, and their outputs were carefully reviewed and edited. We recognize that AI-generated content may be convincing but can also be inaccurate, incomplete, or biased. AI tools and AI-assisted technologies were not listed as authors or co-authors, nor were they cited as such.
- ✓ Authorship implies accountability and responsibilities that can only be attributed to and fulfilled by humans, in accordance with the AI policy of the Journal under the ownership of Yayasan Adra Karima Hubbi.
- ✓ We have disclosed the use of AI and AI-assisted technologies in the manuscript in accordance with the instructions below.

This declaration will appear in the published version of the article. Please note that the authors remain fully responsible for the content of the work.
