- Lead the execution of landscape and hardscape construction projects, ensuring adherence to design plans and specifications.
- Manage project timelines, resources, and budgets to ensure timely and cost-effective project completion.
- Collaborate with clients to understand their vision and provide expert guidance throughout the project lifecycle.
- Utilize electronic devices and software for project management, tracking progress, and maintaining accurate records.
- Foster a positive and productive work environment by leading by example and promoting teamwork.
- Conduct regular site inspections to ensure compliance with safety regulations and quality standards.

Required Skills and Qualifications:

- Minimum of 3 years of experience driving trucks and trailers.
- Proven experience in landscape and hardscape construction.
- Project management experience in a similar role.
- Proficient in using electronic devices for project management and tracking.
- Strong skills in computer software relevant to the industry.
- Experience in a lead role within a project setting.
- Strong organizational and time management skills.
- Ability to read and interpret landscape design plans.
- Excellent communication and teamwork abilities.
- Verifiable references required.

- High school diploma or GED required; higher education preferred.
- Oregon Driver's License required with a clean background.
- Must adhere to the company's employee handbook policies for the entirety of employment.
- This is a non-supervisory position.
