No School on Tuesday - Election Day!

School Climate Surveys

You recently received an opt-out letter, due November 3, regarding the student school climate survey. We also want to let you know that families will soon receive a link to complete their own school climate survey. Teachers will be participating as well.

These surveys help us understand how our school community is doing so we can continue to make MLT a safe, welcoming, and supportive place for all students. As part of Public Act 23-167, all Connecticut public schools are required to collect this information to help guide school climate planning.

We truly appreciate your partnership and look forward to hearing your feedback. More information will be coming soon.

A Big Thank You to Our SROs Detective Bailey and Detective Artabane for the Halloween Safety reminders!

Pumpkin Day at MLT
