

The **Iron Mountain Homeschool Partnership** offers virtual opportunities for your student to pursue their education with *optional, weekly, in-person* classes. IMHP offers both **full-time** and **shared-time** options to fit your student's needs.

Full-Time Student

A full-time virtual Iron Mountain K-12 student takes all 7 courses through the IMHP program. 4 Core classes and 3 Electives. Assignments can be done anytime and from any place. The IMHP program follows both state standards and Iron Mountain's graduation requirements so that IMHP students can graduate with an Iron Mountain diploma. *Chromebooks are provided.*

A full-time student can

Participate in any after-school Iron Mountain Public Schools-hosted extra-curricular activity, such as sports, dances, clubs, and events.

Participate in Dual-Enrollment through Bay College.

Participate in Vocational Technology and High School classes.

Apply for scholarships.

Graduate and walk in the IMPS graduation ceremony.

Shared-Time Student

A shared-time virtual Iron Mountain K-12 student can take up to 5 elective courses through the IMHP program. Assignments can be completed at any time and from any location. This option provides our homeschool community with access to IMHP's elective virtual courses, which can be added to their own curriculum. *Chromebooks are provided.*

A shared-time student can:

Participate in any after-school Iron Mountain Public Schools-hosted extra-curricular activity, such as dances, clubs, and events. (to exclude MPAAA Divisional Sports)

Participate in Dual-Enrollment through Bay College.

Participate in Vocational Technology and High School classes.

Electives at IMHP

A unique opportunity that Iron Mountain offers to both **Full-Time and Shared-Time** virtual K-12 students through IMHP, are hands on-, in-person, weekly elective classes.

IMHP offers optional elective classes, (Up to 5 classes-such as gym, art, culinary, technology, music lessons, introduction to forensics, etc) during 5 periods, from 9:00am to 3:15pm on Thursdays. We also incorporate celebratory events throughout the year.

These classes are led by IMHP's certified teachers and community experts in a classroom setting. They will work on introducing new skills each week in a hands-on environment with opportunities for socialization. IMHP offers access to Iron Mountain Public Schools' breakfast and lunch on Thursdays.
