

PEACE DEAL BETWEEN THE FEDERAL REPUBLIC OF CLOVERZEM, COMMONWEALTH OF FRANKBADEN, THE THIRD MISBERIAN REPUBLIC AND THE KINGDOM OF IKONIA

Between the governments of Cloverzem, Frankbaden, Misberia, and Ikonian respectfully, the dissolution of Cloverzem entitles the Commonwealth of Frankbaden, the Third Misberian Republic and Kingdom of Ikonian separate lands. The following describes said lands.

STERLING

The land of Sterling in Cloverzem is seceded to a Dominion of Ikonian, therefore being an automatic member state of the Missionar and Collective Council of Accentra. The Prime Minister of the Dominion will be publicly voted on from a ballot in cities, towns, and territories of Ikonian. This later entitles that the Prime Minister will form a constitutional cabinet under him, and to the best of his ability, preserve, protect, and defend the laws and rights of the Dominion.

CLOVERTON

The land of Cloverton is seceded to a Crown Dependency of Ikonian, therefore assuming the Ikonian member state role in the Missionar and Collective Council of Accentra, for the representative serves as a delegate. Therefore, the crown dependency will be under Ikonian sovereignty.

LITTLE ITALY

The lands of Little Italy in Cloverzem shall secede to Misberia under the district of New Clover. The lands shall be treated fairly under the Misberian Freedom Acts and shall be granted the same as any other Misberian district. The land of New Clover shall be ruled under Jayden Lycon until Jayden steps down.

JIR

The lands of Jir in Cloverzem shall secede to Misberia under the district of Jir. The lands shall be treated fairly under the Misberian Freedom Acts and shall be granted the same as any other Misberian district.

CLOVERZEM

The last lands of Cloverzem are still owned by the Cloverzen government. The new President of Cloverzem is His Excellency, President Schroeder.
