Aao chalen hum wahan

Wahan wahan rahe pyaar jahan

Mile dil se dil

Dil, dil pyaara sa ho sama

Aao chalein hum wahan

Wahan wahan rahe pyaar jahan

Pal mein hasna

Pal mein hai rona yahan

Pal mein paana

Pal mein hai khona yahan

Raatein jayein

Din ke ujaale khile

Maangein gull to

Kaanton ke daaman mile

Aao chalein hum wahan

Wahan wahan rahe pyaar jahan

Raaton ko suraj chhup jaata hai kyun?

Chaand zameen pe nahi aata hai kyun?

Bolo kyun?

Aaj raat jab tumhe sulaungi main

Chaand aur suraj se milaungi main

Chaand aur suraj se milaungi main

Tum suno

Aao main bata doon tumhe

Jo hai sabko pata

Chaand aur suraj ki

Raahein juda hain juda

Aao chalein hum wahan

Wahan wahan rahe pyaar jahan

Aao chalein hum wahan

Wahan wahan rahe pyaar jahan

Mile dil se dil dil dil

Pyaara sa ho sama

Aao chalein hum wahan

Wahan wahan rahe pyaar jahan
