

Federal University of Santa Maria, RS. Brazil

Call for applications

09 to 12 months postdoc position for working on philosophy of mind and language, from an enactive perspective.

Funded by CNPq.

In Santa Maria, RS. Brazil.

Deadline: Oct. 30th.

The main criteria for this position are academic excellence and compatibility with Prof. Figueiredo's research and approach. The post-doc will be part of Prof. Figueiredo's research *Enactivism: developments and challenges*, which is funded by the Brazilian agency CNPq.

The pay is in accordance with Brazilian standards and allows for comfortable living in Santa Maria. Position starts in January 2024 (negotiable).

Background in the empirical sciences is an advantage, but not required. Candidates can email nara.figueiredo@ufsm.br if they have doubts about whether their profile matches this call. Candidates must have a PhD degree and experience with research on mind and language. Teaching is not mandatory, but the researcher will be encouraged to offer a grad course and manage research group activities.

The postdoctoral researcher is expected to work on joint projects with Professor Figueiredo that are related to language from an enactive perspective. In addition, intersections with other lines of research from the project are also welcome. More information about the project can be found [here](#).

For application please submit via email, no later than October 30th:

- 1- An updated CV;
- 2- A 5000 word writing sample;
- 3- A 2–page outline of what joint papers/projects the candidate envisages to write/have with Professor Figueiredo;
- 4- Two letters of reference.

Please write 'Postdoc Enact' in the subject line and send it to: nara.figueiredo@ufsm.br
If your material is selected, you will be contacted for an online interview.
