Темы

1. ABOUT MYSELF

Remember to say:

- your full name
- where you live
- about your school
- about sport and your hobby
- about your family

Let me introduce myself. My full name is (Anna Petrovna Ivanova) but my friends call me (Anya). I'm (ten). I live in St. Petersburg at number (6 Kotin Street).

I go to school 548. Our school is an English school and we have three English lessons every week. I'm sure English can help me in my life.

We have twelve subjects on our timetable but my favourite subject is (Art).

I like my school because I have a lot of friends at school. I get knowledge on different subjects. In my free time I (play computer games). This is my hobby.

I like sport. In summer I swim, cycle and play sport games: badminton, basketball, football. In winter I ski and skate, play snowballs with my friends.

My close friend is (Dasha). It's great to have a friend. We have the same interests and we spend a lot of time together.

My best friends are my parents. I like to travel with my family. My parents love me and always help me with my problems.

I think I'm a happy person.

2. MY SCHOOL

Remember to say:

- about the number of your school
- how your school works
-
- about subjects
- about your favourite subject

I would like to tell you about my school. I go to school number 548. It's an English school. Pupils from 6 to 18 years old go to our school. We have a lot of classrooms in it. They are comfortable and clean.

School starts at 9 o'clock. We go to school five days a week. Saturday and Sunday are our days off. Every day we have five lessons. There are twelve subjects on our timetable. They are Russian, Maths, English, Reading, Music, P.E., Nature

Study, Dancing and others. We have three English lessons every week. We learn new words, read, speak English, write tests and dictations.

My favourite subject is (Maths) because it's very interesting. I'm good at (Maths) but (English) is difficult for me.

We wear uniforms at our school. Pupils of our school sometimes visit different museums and other interesting places.

I love my school because I meet my friends and I learn a lot.

3. LONDON

Remember to say:

- about the history of London
- about the River Thames
- about the centre of tourism
- about the shopping centre
- about parks in London

London is the capital of the UK and England. It is its political and business centre. More than seven million people live there.

The first name of London was Londinium. The Romans built Londinium on the banks of the River Thames about two thousand years ago. The River Thames has always been part of London's history. Now London is a very large city but the River Thames is still in the center of London.

It is a centre for tourism too. More than twenty million tourists visit London every year.

In London you can find a lot of theatres, cinemas and museums. There are a lot of beautiful churches in London. People from all over the world do the shopping in this city. Oxford Street is London's main shopping centre.

There are a lot of beautiful parks in the city. The largest park in London is Hyde Park. You can find a lot of interesting places to visit. It's a very beautiful city. I would like to visit London too.

4. TRAVELLING

Remember to say:

- about reasons for traveling
- about travelling by plane
- about travelling by train
- about travelling by car
- about travelling by ship

People are fond of travelling. A lot of people travel for pleasure, some people travel on business. Millions of people spend their holidays travelling. They travel

to see countries and continents, modern cities and old towns. It's always interesting to discover new things, to meet different people, enjoy beautiful nature.

We can travel by plane, by train, by ship, by car or on foot. Travelling by plane is the quickest way of travelling but it is rather expensive. Travelling by train is very popular. You can see rivers, lakes, forests and fields. You can read, sleep when you travel by train.

Travelling by car is the most popular nowadays. You can take the road you like, stop wherever you want. But it's sometimes difficult to travel by car in St. Petersburg because of traffic jams.

Some people like travelling by ship. You enjoy fresh air and beautiful nature. Travelling you see and learn a lot of things.

5. MY FLAT

Remember to say:

- where you live
- about rooms in your flat
- about your own room
- about your furniture
- your partner's opinion about the room

I live in St. Petersburg at number (6 Kotin) Street. Our flat is on the (fifth) floor. There are (three) rooms in it. We've got a hall, a kitchen, a bathroom (a balcony) and a toilet too.

I've got my own room. It's rather (small/large). You can see a large window with (blue) curtains. There isn't much furniture in my room. I sleep on the bed (sofa). It's (in the left corner of my room near the window). There's a table with a chair next to the bed. I do my home work at this table. There's a bookcase (in the right corner). You can see a lot of books in it. I've got a wardrobe (next to the bookcase). There are some posters and photos on the walls. I think my room is nice and comfortable. I love my room.

6. A HOBBY

Remember to say:

- about his/her hobby
- about collecting things
- about doing sport
- about travelling
- about a hobby of grown ups

Everybody has a hobby. A hobby is what you like to do in your free time. I think it's great to have a hobby because your life is more interesting with a hobby. I've got a hobby too. My hobby is (playing computer games).

Different people have different hobbies. Some people are fond of collecting stamps, coins or badges. Collecting things is popular with people of all ages

because you begin to learn new facts about history and famous people. My friend's collection of stamps is thematic, his theme is cars.

Children are fond of doing sports. Girls are fond of dancing. In their free time they go to the dancing clubs.

I am sure that grown-ups and children are fond of playing computer games. It is very interesting and exciting.

Some people are fond of travelling. They visit different places on their holidays to know more about people's traditions and enjoy beautiful nature. A lot of people like to spend their free time in museums, galleries, theatres and cinemas. All children are fond of music.

My parents and grandparents like gardening. My mother grows beautiful flowers in our garden every year.

I think that a hobby makes our life bright.
