

Easter Teams!

Feel free to adapt and change as you like!

PRAYER TEAM

How do we want to encourage our group to pray together throughout the weeks? How do we want to pray for guests on Easter?

HOSPITALITY TEAM

What games, connect questions, decor, and activities can help guests feel seen and connected? If you'll have kids, how can we make it kid-friendly? (you may consider a separate team if you'll have a lot of kids)

CONTENT TEAM

Who can we ask to share a testimony of what God's doing in their life? What are creative ways to share about faith? How might we want to share the Gospel? How can we use wording that makes sense to non-Christians?

FOOD & LOGISTICS

How many guests are we believing for and do we have a venue that is big enough? How do we want to handle food (potluck w/ signups or catering)? Do we have the financial resources we need? What resources do we need to find/borrow? (chairs, tables, speakers, etc.).
