URL: /compression-therapy

Meta Description: Increase circulation, relieve sore muscles, and recover faster with compression therapy in Wyckoff and Closter, NJ.

H1 Compression Therapy in New Jersey

Normatec 3 is the next evolution of the iconic Normatec series, using dynamic air compression to advance your wellness, recover faster, improve your training, and maximize your performance. Normatec's patented precision pulse technology helps to increase circulation, revive muscles, and reduce swelling and has long been the choice of elite athletes and consumers throughout the globe.

Wellnessesity is proud to be the leading provider of compression therapy in both the Wyckoff and Closter, NJ, areas. If you want to experience the many benefits of compression therapy in New Jersey, call Wellnessesity in Wyckoff (201) 347-9599 or Closter (201) 564-7061. Our team of experts can help you start your journey toward wellness and recovery with compression therapy.

H2 Benefits of Compression Therapy

- Increases circulation
- Helps with lymphatic drainage
- Decreases pain and soreness
- Customizable sessions
- Backed by science

H2 The Ultimate Massage Experience

Warm up and recover like never before. The Normatec 3 uses dynamic air compression to create a restorative massage that helps you feel refreshed faster. 7 levels of compression and our patented Pulse technology deliver precise treatment to 5 overlapping zones with ZoneBoost™ by using biomimicry to replicate the natural muscle pumps and one-way valves of the legs. Trust us. Your legs will thank you.

H2 Explore Normatec 3 Legs

H3 Intuitive, refreshed design

Normatec 3's refreshed system design features an intuitive interface, reduced weight, and the ability to unlock next-level features and customization through the Bluetooth® connected Hyperice App. Simply zip in and power up the most advanced dynamic air compression system on the planet.

H3 Backed By Science, Used By the Best

Designed by an MD, Ph.D., Normatec is the original, most tested, and most scientifically backed dynamic air compression system on the market. Designed to provide improved mobility and profound restorative healing results, Normatec has long been the most trusted system by the world's top athletes and consumers everywhere looking to advance their wellness.

What does Normatec do?

For this section, can you create like two rows of 3?

H3 Give your body a boost

Normatec's compression therapy increases circulation and helps you maintain your full range of motion, leaving you fresh and limber.

H3 Unlock your next level

Give yourself the competitive advantage of recovery compression, and warm up faster no matter where you are, so you are always ready to give it your all.

H3 Conquer sore muscles

Normatec is like the best massage of your life. It's proven to help with lymphatic drainage and decrease pain and soreness, so you never have to let DOMS cramp your style.

H3 Get science-backed recovery

Science is in our DNA. Normatec was created by an MD, Ph.D. and designed with input from top pro athletes and sports medicine professionals.

H3 Customize your sessions

Get perfectly curated routines in the Hyperice App, or choose your own settings with adjustable time, pressure, and ZoneBoost™ options.

H3 Keep the whole squad on point

Compression therapy benefits more than just your legs. Normatec is also available for the hips and arms and in a portable package so your whole body gets to feel refreshed and revived.
