Mt. Everest Academy

2025-2026 Student Schedule
11th Grade - Class of 2026

A standard student program includes **six courses** each semester—all listed on the master agreement—but students may take seven courses if they wish.

All high school students should make an appointment to meet with Mr. Rubin or email course selections to arubin@sandi.net. Topics discussed will include their courses for next year and the rest of high school, community college courses, and graduation and college entrance requirements. Parents are encouraged to attend along with their student.
