

New Individual Benefit Opportunity from the Coalition of Youth Development Intermediaries (CYDI)

Access Annual Membership to [New York State Network for Youth Success](#), including an Employee Assistance Program (EAP)!

Support for You and Your Team

Youth-serving work is deeply meaningful—but also emotionally and mentally demanding. Many staff face burnout, stress, and personal challenges, while working in organizations that may not have access to wellness benefits or HR supports.

That's why CYDI and the New York State Network for Youth Success are offering free annual memberships to the Network, which includes access to an **Employee Assistance Program (EAP)**, delivered in partnership with AllOneHealth.

What's Included in Membership

Each individual membership includes:

- The **Employee Assistance Program**, including:
 - 24/7 confidential mental health counseling
 - Legal and financial consultation
 - Wellness resources, life coaching, discounts, and more
- Monthly e-newsletters with professional development, opportunities, resources, and policy updates
- Members-only grants newsletter
- Discounts on our annual statewide *Empower Youth Success* conference and other professional development
- *Support that follows the individual, not the employer*

Why This Matters

This benefit is especially impactful for small and mid-sized organizations that may not be able to offer these types of supports internally. It's a way to invest in staff well-being, boost morale, and strengthen retention.

Free One-Year Membership for 300 Individuals

Thanks to generous support from the Carmel Hill Fund, the New York State Network for Youth Success is offering **free one-year memberships** to **300 individuals**. There is **no cost** and **no obligation** to continue beyond the initial year. Requests for memberships are due by August 8th and will be reviewed on a rolling basis thereafter.

How can I get memberships for my staff?
