[Training Mode] = Blue

## 6. Register Your Team Name

☐ Register your team.

Team icon → Select/Add team name → Enter type → [Register]

Procedure:

- 1 Tap the "Team" icon of the app's home screen.
- 2 Tap the [ > ] mark next to the EMT Name field.
- 3 Select your team name from the EMT Name list (If your team name is not listed, proceed to step 4).
- 4 Enter your Team Name in "Filter teams by name" and tap the [Add new] button at the bottom left of the screen.
- 5 Enter the Team Type.
- 6 After entering the information, tap the [Register] button.
- 7 Tap the [Back] button

## 7. Create MDS Daily Report

☐ Create a new daily medical report.

Procedure:

- 1 Tap [Create Report] at the bottom left of the app's home screen.
- 2 Tap [Add].

☐ Check the activity date.

Procedure:

- 1 Check (or change) the Activity Date in [1. Date & Location] matches the activity date.

☐ Select the activity site.

Procedure:

- 1 Tap the [ > ] mark next to Activity Site and select the appropriate activity location.
- 2 If the relevant activity location does not exist, enter its name in "Search by name" and tap the [Add new] button.

☐ Patient data input

**[Method 1] Input by each patient**

- 1 Tap [Patient Data Entry] in [2. Patient Information].
- 2 Tap the [Add] button.
- 3 Enter patient data by selecting MDS items
- 4 Tap the [Register] button.
- 5 Repeat steps 2-4 above to enter additional patient information.
- 6 If treatment for the day is not finished, tap the [Back] button in the upper left.
- 7 Once all patients have been entered, tap the [Submit to EMTCC] button.

**[Method 2] Input by table**

- 1 Tap [Tally Sheet Entry] in [2. Patient Information].
- 2 Enter the results of the medical treatment (MDS contents).
- 3 Tap the [Register] button.
- 4 Tap the [Back] button in the upper left corner.

☐ Report the daily activity report to EMTCC

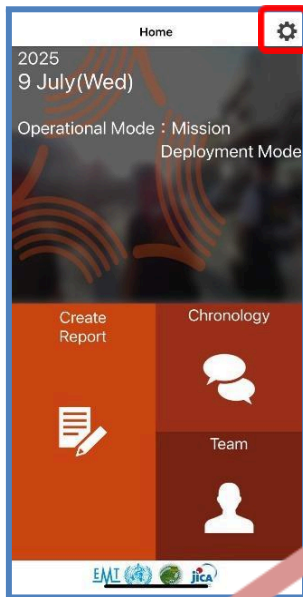

- 1 Tap [3 Submit to EMTCC].
  - 2 Tap the [ > ] mark next to each item to check and enter the content.
    - Team Information
    - Daily Summary (Ultra MDS is entered here)
    - Needs and Risks
  - 3 Tap the [Send Report] button.
- ※On the next day, or if the treatment location is changed, proceed to "7. Preparation of daily medical treatment report (MDS Daily Report submission)".

## 8. Team Chronology Inputs (Optional)
