Mrs. Uzzardi juzzardi@dist76.org 10/08/2021

what we Learned This week:

SEL

- we discussed Social Expectations

ELA1 &2

- we continued learning how to find the theme of a story and began reading groups
- we finished our personal narratives

Math -(uzzardi)

- we worked on comparing and ordering decimals
- we are also reviewing our multiplication tables - focused on 6's

Coming up next week...

SEL

- we will begin discussing what RESPECT looks like

ELA

- Reading - we will explore character traits along with comparing characters and setting
- Writing - we will begin exploring various fictional stories and begin practicing to write our own fictional story

Math

- we will begin rounding decimals as well as adding and subtracting decimals
- Please encourage students to practice multiplication tables!!

Other News - Please continue to send students with an extra mask and a water bottle
Also students should have earbuds or headphones

Monday October 11th - no school
