

The BEAR Necessities

12/5/24

Good morning, Golden Bears!

Today is Thursday, December 5th, 2024.

The Social Studies academic team is looking for students to join the crew for the 2025 competition. This year's topic is the Irish Civil War and other Irish history. If you're interested in joining our team, please see Mr. Moore or Miss Bate for more information.

The sun will come out...TODAY! Attention all students interested in auditioning for Annie Jr., our school musical: We will be having an audition information meeting after school TODAY until 4:15 in the cafeteria. This is a great time to hear directly from the directors about what auditions will be like, listen to the music you'll be learning, and ask any questions you may have about what it's like to be in the school musical. Please plan to have a ride ready to pick you up around 4:15 pm. We'll see you there!

We are also so excited to announce that auditions for Annie Jr. will be Tuesday, December 10th after school until 5:30. EVERYONE who plans to audition for the cast must attend on Tuesday and callbacks will be after school on Thursday, December 12th. Again, everyone who wants to be onstage in the cast must stay after school on Tuesday. Check the audition posters

located around the school for the QR codes to sign up to audition and the songs/dance that you will be learning on Tuesday.
