Page-Turners & Big Ideas

Grade 1: Quarter Two

English Language Arts
[CKLA Standards by Unit]

Astronomy
- **Key Terms:** gas, rotates, dusk, ancient, counterclockwise, launch, determined, abundant, categorize

Geography
- **Key Terms:** gathered, hint, revolves, obstacles, influence, crowded, sparse, settle, produces, landmark

Math 1
[Amplify Desmos Caregiver Hub]

Unit 3: Adding and Subtracting Within 20
- **Key Terms:** one, ten

Unit 4: Numbers to 99
- **Key Terms:** addend, conjecture, digit, equal, estimate, fewer, greater than, less than, more, one, ten

The Board of Education adopted the mathematics curriculum, Amplify-Desmos Math.

Social Studies

Culture

As a class, students will brainstorm family traditions and customs in the community. They will discuss and recognize the importance of respecting the traditions and customs of families in the community. Also, students will describe ways people in their community meet human needs. They will identify how families choose to share and borrow from other cultures.

- **Key Terms**: customs, traditions, culture, respect, needs, borrow

History

Students will examine photographs of the past and compare them to current pictures of similar images. Also, students will use terms related to time to order events that have occurred during a previous school

Science

See the Sun and Moon in the daytime sky

Students explore a phenomenon: seeing the Sun and Moon during the daytime. They ask questions about the Sun and the Moon, and construct an explanation of how we can see the Moon in the sky. Students make outdoor observations of the Sun's position in the daytime sky and analyze data to identify patterns. They will then make outdoor observations of the Moon in the night sky (at home) and identify patterns in the Moon's position. Students will analyze seasonal data on hours of daylight and height of the Sun in the sky.

- **Key Terms:** sun, moon, sky, stars, darkness, patterns
