

# Idle Anim Set

Showcase :- [Link](#)

Discord :- [Link](#)

- This Idle Anim Set offers a collection of high-quality, motion-captured idle poses designed to keep characters looking natural and engaged even during inactivity.
- The set includes a range of subtle movements and postures that add realism and personality to characters, preventing them from feeling static in any scene.
- Idle for use in games, simulations, or cinematic projects, these animations provide smooth, fluid transitions and are perfect for enhancing immersion during breaks in action or conversation.
