Kami for Schoology
Your 1-pager Introduction to *Kami* for students

Add Kami to Schoology
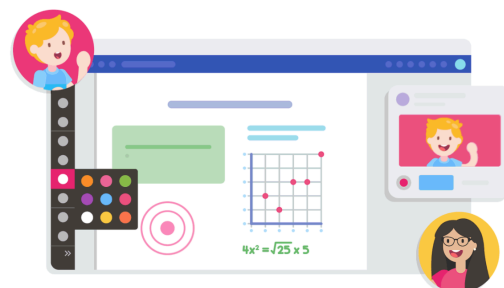

Step 1: **Install the Kami extension**
- Install the Kami Chrome Extension **here**.
- Click the **Add to Chrome** button, then **Add Extension.**

[Add to Chrome] ⟶ [Add extension]

Step 2: **Log in or sign up**
- Click on the Kami extension or head to web.kamiapp.com
- **Sign in** using your school's account by pressing the **With Google** or **With Microsoft** button.

[G With Google]   [⊞ With Microsoft]

- Now create a profile!
  P.s. Make sure to select **Student** as your role.

  Woo hoo! 🎉 Your Kami is now set up, and you're ready to go!

Work on your assignments:
- Go to **Schoology**, open your **Course**, and go to **Materials.**
- Select your assignment file and click **Open Assignment with Kami** to start!

[K Open Assignment With Kami]

- **Remember: Save** your work as you go so you can come back to it, and before submitting.
- Once you're done (and saved), click the **Turn In** button inside Kami. This sends your work back to your teacher! Don't worry, you can **Unsubmit** your work anytime if you need to make changes.

[💾 Turn In]

Yay – you did it! 🙌
You have now completed and submitted your assignment!
