

Silver Wings Robert M. White Chapter

Silver Wings is a national, co-ed, professional organization dedicated to creating proactive, knowledgeable, and effective civic leaders through community service and education about national defense. It is made up largely of civilians interested in personal and professional development, leadership, service, and support of our military personnel. The Robert M. White Chapter is dedicated to integrating members into the defense community through education and exposure.

Our first meeting will take place this **Wednesday**, September 15th at **5pm** on Zoom.

Silver Wings is an honorary society, so membership comes with a lot of opportunities. Besides the national community that members become a part of, there is a myriad of **internships** that members are eligible to apply for including:

- Palo Alto
- Iron Net
- Defense Contracting
- Pentagon Internships including:
 - SAF/IA
 - SAF/LL
 - HAF/JA /A3/ A10
- Air Force Association
- National Security
- ASEF BOT
- Air Force Personnel Center
- Air Education and Training Command
- Air Force Global Strike Command

There are also plenty of **scholarships** that members are eligible for. Last year Silver Wings National gave away over \$39,000 in Academic Scholarships, as well as scholarships to Air University, Parachuting Programs, and 15 Flight School Scholarships – that's right, learning how to **fly a plane**.

Hope to see you there at our first meeting!
