

Your task is to create a collaborative slide deck about the Native American region you've been assigned. Click on the link below your region to access the slides and then:

- Read what is required for each slide
- Research information using the links below
- Find appropriate images to use on your slides
- Delete the instructions on the slides and add your own information. Be sure to write using your own words!

[What can we learn from this sample?](#)

[Template Slide deck](#)- attach a separate copy to each link below-set editing to anyone with a link can edit.

Pacific Northwest Indians	Great Plains Indians	Desert Southwest Indians	Eastern Woodland Indians
