

It is time to talk about London Tour Apparel!

There are three different pieces of apparel that each traveling musician will need on tour:

1. **Tour Shirt** (Long sleeved black t-shirt, with printed logo)
2. **Tour Jacket** (Lined black rain coat, with embroidered logo)
3. **Tour Beanie** (Purple & Gray knit cap, with embroidered logo)

Thanks to **generous** underwriting by the **DGN Friends of Fine Arts**, as well as a private donor, we are able to completely cover the cost of both the Tour Jacket (\$52) and the Tour Beanie (\$10) for each traveling musician. These two items will be provided to each student at no additional cost.

We learned recently that the cost of the Tour Shirt was not built-in to our tour package by Destination Events (something that had been included in previous London tours). For that reason, we must ask **each participating family to order and pay for their Tour Shirt, online through Holy Cow Sports** (a local business). The cost for the Tour Shirt will be \$14 (tax included). Family members who would also like a shirt may feel free to order them at the same time the order is placed for their student!

What do you do next?

Step 1: Determine what size Tour Jacket the student wishes to pre-order.

We have samples available for students to try-on at DGN. The jackets will be available in the **Choir Room area 9/19-23**, and in the **Band Room area 9/26-30**.

The Tour Jackets will be worn by Choir members as their "uniform" during the London New Year's Day Parade (with jeans, athletic shoes, and the provided Tour Beanie hat). The Band will use these jackets as their emergency rain-jackets on the day of the parade. Leave room to LAYER long underwear, shirts, sweatshirts, sweaters, etc. under the jacket. In other words, the jacket should not be a snug fit. Leave some room!

Tour Jackets also come in two different cuts. A "straight cut" and a "tapered cut." **It is really important that the students understand the two different shapes, and that they identify the best cut and size that will work well for them to add layers.**

Step 2: The STUDENT must fill out our Tour Jacket Pre Order form!

Each traveling musician must complete our pre-order form by clicking [HERE](#).

Note: Do not complete the form before trying on the samples at DGN.

- **This form is due by Saturday, October 1.** We will place our order with the company on Monday, October 3.
- The student must be logged into their CSD99 account to complete the form. (Guardians, please do not send emails asking for us to grant you access to the form; the student should complete this task.)
- If a student fails to fill out the form, we will order the jacket based on a t-shirt size you already submitted, with a "straight cut."

Step 3: Student and/or Guardians: Order and pay for Tour Shirt(s)

Each traveling musician should order and pay for their Tour Shirt by clicking [HERE](#).

- **Orders must be placed by Saturday, October 1.** The webstore will close at that time.
- Payment must be made at the time of purchase, using a credit card.
- *Family members who would like a shirt may also order shirts, using the same online store.*
- The shirts will be delivered to DGN once produced, and our staff will distribute to students/families.
