

Ceramics: Advanced Ceramics Final

Artist Research Assignment:

Find an Artist, past or present, that works with Clay/Ceramics as their primary medium. Create a google slideshow with at least 3 slides with the following information about your chosen artist:

- Your name and class hour.
- Name of chosen Artist and where they live and work. (Birth/ Death date if applicable)
- 6 images of the artist's artwork, labeled with titles and dates
- How does the artist create? Describe technique or method of building with clay. In example- Slab Building, Wheel Thrown, Etc.
- Videos or demonstrations of the techniques- 2-5 minutes long (if you cannot find a video that includes the artist, find a video that shows how that technique is used)
- Why did you choose this artist, not just "because I liked it." Why do you like it. Explain your thinking.
- What elements of art or principles of design does this artist use. Pick at least 2 from the list below and explain how the artist incorporates these ideas.
Line, Shape, Form, Value, Pattern, Rhythm, Space, Movement, Color, Texture, Balance, Emphasis, Unity, Contrast.
- Share the slideshow to lsvigel@jeffcoschools.us or submit into our google classroom. I will be presenting these to the class, you will not have to present it yourself.

Due: Your final is due accordingly to the date and time of your assigned final time. Please see the CHS finals schedule.
