

Reaves 4th Grade Weekly Lesson Plan June 1-9

Dear Students: Each day you will have a few assignments. This is a suggested schedule, but most assignments are due on Friday unless otherwise noted. Please also choose as many enrichment activities as you like.

****Important!** Links in the weekly schedule below are for information only! Students should access links to work on directly from the Google Classroom! Be sure to click on “view assignment”. Do not turn in assignments until you have done the work, or you won’t be able to edit them!

All assignments are posted on Google Classroom. Students can access everything here with their usual login and password:

	Monday	Tuesday	Wednesday	Thursday	Friday
--	--------	---------	-----------	----------	--------

Language Arts	<p>*Check your email.</p> <p>*Check the stream on Google Classroom for announcements.</p> <p>*Read for 30 minutes at your AR level. Take a quiz when you are ready. You may read a book, use Epic!, or use one of the libraries below.</p> <p>* Using Book Creator, write a paragraph about your favorite school memory from this year in 4th grade. The link to the library is posted on Google Classroom. It is due no later than Wednesday! All of the paragraphs will be combined into an online class book.</p> <p>*Enjoy the read aloud and do the written response. Here are vocabulary and other resources to go with this book. And here is a Google Earth map showing locations from the book.</p> <p>* Optional: Add to the Covid-19 Time Capsule, posted on Google Classroom.</p>	<p>*Check your email.</p> <p>*Check the stream on Google Classroom for announcements.</p> <p>*Read for 30 minutes at your AR level. Take a quiz when you are ready. You may read a book, use Epic!, or use one of the libraries below.</p> <p>*Do the Journal response.</p>	<p>*Check your email.</p> <p>*Check the stream on Google Classroom for announcements.</p> <p>*Read for 30 minutes at your AR level. Take a quiz when you are ready. You may read a book, use Epic!, or use one of the libraries below.</p> <p>*Do the Lifeskills Journal. See also the list of all the Lifeskills.</p> <p>*Make sure you've finished your favorite memory on Book Creator! Check for spelling, periods, etc. It is due today!</p> <p>*Make a game that you can play with your family this summer. Teach us your game on Flipgrid.</p>	<p>*Check your email.</p> <p>*Check the stream on Google Classroom for announcements.</p> <p>*Read for 30 minutes at your AR level. Take a quiz when you are ready. You may read a book, use Epic!, or use one of the libraries below.</p> <p>*What were your favorites? Please fill out the End of the Year Survey, posted on Google Classroom. Thank you!</p> <hr/> <p><u>Summer safety:</u></p> <p>*Do this Edpuzzle about riptides.</p> <p>*Find the cardboard visor in your desk bag from last week. Decorate your visor with what you like to do during summertime. Wear it or another hat, and also sunscreen so you don't get sunburned when you go out into the sun.</p>	<p>*Check your email</p> <p>*Check the stream on Google Classroom for announcements.</p> <p>*Read for 30 minutes at your AR level. Take a quiz when you are ready. You may read a book, use Epic!, or use one of the libraries below.</p> <p>*Make sure you've wished a happy birthday on Flipgrid to all of your classmates who have summer birthdays. There are 7 total!</p> <p>*Post a good-bye message to your classmates and teacher on the Good-Bye Graffiti Wall on Padlet.</p> <p>*Read the Favorite Memory Book made on Book Creator (posted on Google Classroom).</p> <p>*Enjoy the slideshow of your classmates, posted on Google Classroom.</p> <p>*Join us on Zoom at 11:00 for farewell speeches. Say</p>
----------------------	--	---	--	---	--

	(You'll need to print it). You can add a little bit to it each week. Save it for your future self.				goodbye to your classmates, and get ready for summer !
Math	*Learn how to make and use a quadrant . Use it for doing the Moon Log observations. Do the first observation today.	<p>*Read this Dynamath article, "Beats of Art". You can adjust the reading level, or choose text to speech. Be sure to watch the videos on the page, and play the online game. Do the follow up on this document.</p> <p>*Do your second observation on the Moon Log, (posted in Mon. math).</p>	<p>*Make the game, as described above in Language Arts. (There is always math involved in a game!)</p> <p>*Do your third observation on the Moon Log, (posted in Mon. math).</p>	*Do your fourth observation on the Moon Log, (posted in Mon. math).	

Science/ Social Studies/ Art	<u>Science:</u> *Start the Moon Log, (posted in Mon. math). *Optional: Go outside to do a bird count or observation! Spend 10-20 minutes observing, then choose either the count or observation document on Google Classroom to record your observations. You may want to print it out first or jot down your notes on a piece of paper while you're outside.	<u>Science:</u> *Do your second observation on the Moon Log, (posted in Mon. math). <u>Social Studies:</u> *Join us on Zoom at 1:00 for live California Jeopardy!	<u>Science:</u> *Do your third observation on the Moon Log, (posted in Mon. math). <u>Social Studies/Art:</u> *Invent a new category of a state symbol for California. Draw it on the scratch paper that was given to you in your desk bag last week. Take a picture and post it with a written caption on the Art Wall on Padlet .	<u>Science:</u> *Do your fourth observation on the Moon Log, (posted in Mon. math). <u>Social Studies:</u> *Join us on Zoom at 12:00 for a special Fourth Grade Awards Show with Miss Dunham's class! *Play "Two Truths & a Lie" on Quizizz. How much do you know about your classmates?	
Enrichment Options	PE		Reading Online Resources
