## Quote Stuffing 120619. PHLX.

June 19, 2012, the reports the last couple of weeks have suggested that the PHLX had made changes to control quote stuffing, but a better guess is that the quote stuffers at the PHLX were just on vacation or over at the other exchanges teaching them how to do it.

With quote stuffing still not under control, how can 3 new option exchanges be justified? Quote stuffing in the options market must be stopped!
