Agreement to Contribute Work to Open Educational Resources

Faculty/Instructor Document

I, Professor Full Name agree to work with my student Student Full Name, on the creation of Resource Title, an open resource in Choose an item completion of Class or Course Name.

I commit to supporting student Student Full Name throughout this project, and ensuring they have the knowledge and resources they need to be an informed contributor.

I acknowledge that the student may request that their name and/or work be removed from the original text and/or to change the license on their contributions to this work at any stage prior to publication of the work.

I confirm that the student's decision to change the license they place on their work or to not participate in the project **will not** impact on their course assessment.
