We are very excited to announce that the Portales Athletic/Activities Department has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Click on the [Parent Playbook English](#), [Parent Playbook Spanish](#) to get started in FinalForms.

We are asking the parents/guardians of all students planning to play sports/activities at PJHS and PHS to create accounts in FinalForms and register your student(s).

Please register at: portalesschools-nm.finalforms.com and follow the prompts to create your account, create your students and sign your forms.

Thank you for your assistance in streamlining our paperwork processes at Portales Municipal Schools. This will involve PJHS and PHS athletics and activities.
