# US NATIONAL COORDINATOR REPORT – March 2019

## II. Summaries and Announcements

### NC:

If you are interested or have ideas on projects that can improve the club over all, from coordinator materials, evaluating developing technology systems, to new member packets, and want to manage such efforts send your ideas to [nc@mindseyesociety.org](mailto:nc@mindseyesociety.org) or [anc.projects@mindseyesociety.org](mailto:anc.projects@mindseyesociety.org).

If a member has a question about tracking their individual VIP points, please have the question go up the Coordinator chain, starting with your Domain Coordinator. If a Coordinator has a question about how to track VIP points for their members, please feel free to reach out to the ANC Chief of Staff at [anc.cos@mindseyesociety.org](mailto:anc.cos@mindseyesociety.org).

**ALL MEMBERS:** Make sure your information is updated in the current [Camarilla Resource Database](#) (CRD) at <https://legacy.mindseyesociety.org/crd/index.php>. This data should be updated whenever you move, change email addresses or transfer to a new domain. If there is something in your record that needs to be changed, and you can not update it yourself, notify your Domain or Regional Coordinator.

Remember that the US NC Facebook page has announcements and information periodically posted: <https://www.facebook.com/CamarillaUSNC/>

### ANC Chief of Staff:

I am maintaining the ANC office. Ongoing am cleaning up the Spreadsheet. This will be cleaned over time. I also am coming up with a better way to report all recommended prestige to me so i record it. I'd like it reported to me in excel format and ill send to the staff when completed. This way, i'll know who is still on staff, by name, and who needs to be removed quickly.

Please contact me with any errors, omissions, etc. in the report by email: <mailto:anc.cos@mindseyesociety.org> and cc <mailto:nc@mindseyesociety.org>.

Please note, if you do not have your report to us by the 25th, your prestige/VIP will not be awarded in that month, if it is recommended to National. (This typically includes the NST report). However, we do backdate those awards on the next month's reporting cycle.

Please remember the due dates for Coordinator and Storyteller reporting. Any reports submitted past the due dates shown below will be considered late. RC reports will be accepted up through the 25th. Reports received after the 25th will appear on next month's report.

## US NATIONAL COORDINATOR REPORT – March 2019

### ANC Mediation:

- Newly hired and still getting up to speed.

### ANC Education:

Connected with several domains and regional officers about education materials. We created a workflow of needed items, to include mentoring, new member information pages, character sheet database, retention, and recruitment. Officers have requested the most help with member retention, and we are developing a plan for that now.

### ANC Domains:

This month was pretty calm in my corner of the NC's office. The biggest topic of discussion in my office has been domain borders and the Domain Borders Project that I've been working on. There are a lot that go into the borders of a domain, and we're seeing domains move away from the traditional 30-50-100 mile radius to include entire counties. This is great, until county lines conflict with mile-radius-measurements, and those lines need to be looked at. There are a number of things to be worked out with the incoming NC when they're selected, so, until then, the Domain Borders Project is at a standstill. This month, I welcomed "Athens By Night" in the SE Region, GA-019-D into the Mind's Eye Society. They're based out of Athens, Georgia, where two of my favorite bands came from, The B-52's and REM, in the late 70's. :D

### Recurring Info:

There are so many domains that are so close to the black right now, so please, please be sure to get your reports to your RC. If you see that your domain is in the Red or the Black, please say something to your DC. Offer to help them get sorted out, offer to help write reports even. When a domain goes Red or Black, it means that no one is getting prestige. Life happens, I get that, but, if your domain is in the Black, please consider offering a helping hand to your officers.

I really want to encourage DC's to compile old reports for their domains, especially if those reports were under old DC accounts or personal accounts. While the Club Archivist has a lot of access to a lot of things, so much of the pre-2002 transfer information has been lost to the ages. If you have access to documents from those days or just want to start a record for your domain, let me know. I can help you with Google Drive to create a place for them, so please, just let me know if I can help.

Working on a few prestige rebuilds at the moment and sending them to the Club Archivist for his review, and apart from that, the biggest issue that I'm seeing is that not every DC is on their requisite Coordinator's Report List. Please please please, look below and get on your Region's

## US NATIONAL COORDINATOR REPORT – March 2019

Reports List. That will save me a lot of time and a lot of running around.

The Domain Application document can be found here:

[https://docs.google.com/document/d/1F0mUuL\\_iT-GIFuqwKjilelioPDeCgPsKXWCWT4qOHhA/edit](https://docs.google.com/document/d/1F0mUuL_iT-GIFuqwKjilelioPDeCgPsKXWCWT4qOHhA/edit)

DC's, please remember to include my [anc.domains@mindseyesociety.org](mailto:anc.domains@mindseyesociety.org) when you send your reports to your reports list. If you send it just to your RC, sometimes those reports don't get communicated to me. This keeps my records up to date. Sometimes, a DC will send things to the RC, but not to the Reports list or to the anc.domains or anc.chapters account, and according to everything I see, it's missing...yet, that report may not be late, but simply misreported. DC's, please make sure that you're subbed to your Region's Coordinator Reporting lists. Just in case you don't know if you're subbed, here are the lists:

- EC: <http://listmx.mindseyesociety.org/mailman/listinfo/us-ec-coords-reports>
- GL: <http://listmx.mindseyesociety.org/mailman/listinfo/us-gl-coords-reports>

### Current Projects:

- Monthly Reports Tracker: This database will be effective in tracking the last few years of reports, dating back from 2008 to current. This project is ongoing and will require some serious attention. Reports are updated as I receive them or have access to them. If you believe the tracker is in error, please update me with those missing reports.
- Domain Borders Project: Sent initial Google Doc to RC's to verify data before thinktanking the project formally.

### Upcoming Projects:

- Think-tanking an idea about old reports rebuild. Will develop as I figure it out.

### Completed Projects:

- Developing.

### Prestige Rebuilds:

- David McCorkell, in development.
- Joshua Herron, in development.
- Jason Young, in development.

### Domain Applications in Development:

## US NATIONAL COORDINATOR REPORT – March 2019

### New Domains:

- GA-019-D, SE Region, "Athens By Night".

### Closed Domains:

### Missing Domain Reports

DC's: If you see that you're in the Yellow, Red, or Black categories, it means that I never received your report. If you've been sending it to your RC, they haven't been forwarding it to me. Please make sure that you're posting your reports on your Regional Reports List and/or CCing the [anc.domains@mindseyesociety.org](mailto:anc.domains@mindseyesociety.org) address when you send them out.

RC's: If you have DC's sending reports to you but not to the Reports List, please make sure that they correct this for next month. Please contact me privately if you find my accounting to be in error, I'm happy to update and revise these domains in my Reports Tracker.

### Terms:

- Yellow: No report received this month by the ANC Domains office, please make sure you're sending your reports where they need to go.
- Red: No report in three months, please contact your RC to avoid possible closure.

### ANC Charities:

Wrapping up Kindness Drive. Sent some surprise pizza to the domain who had the most participation.

Launched National Drive - Grant Some Wishes

It's spring and time for the contagious joy to be spread everywhere like the tree pollen which is making people sneeze. To celebrate the end of winter, put on your party hats and let's grant some wishes as good as Robin Williams' genie.

#### **Drive Details:**

April 1<sup>st</sup> – June 31<sup>st</sup>

**Money:** For this drive we will be supporting Make a Wish, so if you are looking to make it rain \$\$ on some folks doing amazing things then head over to [wish.org](http://wish.org) to make your donation. After

## US NATIONAL COORDINATOR REPORT – March 2019

you have made your donation, toss the folks listed towards the bottom of this email receipt to claim your prestige.

\$5 gets you 1 point of national prestige.

*Before you clean out your savings please remember that there is a limit of 40n per month.*

**Volunteer:** Any charity with a published wish list counts.

Now there are a variety of ways that you can give your time. You can host events to raise funds to donate to Make a Wish or purchase things on an orgs wish list. If you want more folks involved, host a drop-off site – solicit in kind donations and drop them off. Check to see if the npo lists activities on their wish list or if you make things to donate, we will take all those hours, too.

Examples: Donating Peanut Butter and then filling kongs for enrichment for puppies, making bedding from plastic bags, collecting and playing board games at senior citizen centers.

1 hour of time gets you 10 national prestige.

*\*If you are super fancy and donated the peanut butter in the above example you can add a bit of in-kind donation prestige to the mix.*

**In-Kind Donations:** Any charity with a published wish list counts.

Find your favorite charity, pull out their wish list and go shopping. Now while you might want to channel your inner Marie Kondo and donate all the things that don't bring you joy; we ask that you are mindful of your donations and donate items in new, unused or gently used condition.

Every \$5 of goods donated gets you 1 point of national prestige.

**To claim your prestige:**

Toss an email with what you accomplished, along with pictures, to your DC, Yours Truly ([anc.charity@mindseysociety.org](mailto:anc.charity@mindseysociety.org)) and [aanc.charity@mindsociety.org](mailto:aanc.charity@mindsociety.org) Please note if we are able to use the pictures on social media.

### ANC Community Manager:

There will be a how-to manage VIP document for members and coordinators shortly. The NTAs office has placed a new prestige/VIP tracking system on their development priority track. In the meantime, below are links to new DC and RC report templates, DC/RC Prestige/VIP award spreadsheets, and a Member VIP tracking spreadsheet to make these additional tracking responsibilities as simple as possible. Think of it as a different type of prestige, with STs verifying expenditures.

While coordinators will be responsible for tracking, confirming and auditing, with STs verifying expenditures; it will be incumbent on each member to track their VIP awards and expenditures, just as it is with Prestige. The NTA has created a new Prestige Log template that includes VIP tracking, it can be found here:

### **Domain Coordinator Report Template:**

<https://docs.google.com/document/d/1B4-nw-ct5F7-KeYTKkf8JxX3MqGrS0zPfZ75l7zfDGY/edit?usp=sharing>

This Domain Coordinator report format may take some extra time to convert to using it the first time, but it should make creating a copy the next month and just updating the information easier than text wrangling and having to calculate and update each member's prestige totals. If you have questions or problems with the report, we are here to help; email the ANC Chief of Staff at [anc.cos@mindseyesociety.org](mailto:anc.cos@mindseyesociety.org).

We recommend storing the google docs for each monthly report on the google drive for your Domain Coordinator/Regional Coordinator email account and sharing the link to view in your email to the coordinator reporting email lists and local lists; as our mindseyesociety.org lists do not accept attachments.

**Coordinators:** Please remember that Storytellers cannot award prestige/VIP. ST's please make your recommendations to your Coordinator to include on their coordinator report. Coordinators not including their (V/D/R)ST's prestige/VIP in their report (or a note that they did not report) means that the report is incomplete.

### **Awarding Regional Coordinator Prestige/VIP:**

Please remember that you cannot award yourself prestige/VIP. Instead, include any recommendations for yourself to the NC in the **"Recommendations to National"** section of your monthly regional status report.

### **Awarding Prestige/VIP for Spouses or Significant Others:**

In addition, any prestige/VIP awards that would be for your significant other, spouse or for someone that could be considered to have a Conflict of Interest should also be listed in the **"Recommendations to National"** section of your report. This will help to ensure that no one questions such awards.

If you have any prestige/VIP recommendations you believe to be missing from the website, please send an email listing with the following template filled in (for ease of transferring data) to <mailto:anc.admin@mindseysociety.org>.

First Name	Last Name	Member #	Cat	Description	Date	Prest Amt	VIP
John	Smith	US201603452	AD	DST XX-001-D	YYYY-MM-DD	30R	2

### **Sending Member Class Reviews to National:**

Member Class (MC) reviews for awards of 12 through 14 must be approved by the National Coordinator's office. In order to accomplish this Regional Coordinators and their Assistants (ARC Prestige) who review MC logs are invited to join the **National MC Review list**.

Only two members may be subscribed from any one region. Once subscribed, the RC or designated ARC Prestige can attach approved membership logs from the regional level for National level review.

*Sending regionally approved prestige logs directly to the ANC Prestige email account will result in delayed processing. This email account is for questions and special issues.*

## **X. Notes**

### **Process for Membership Transfers Across Regions:**

In the event that a member is transferring from one region to another here are the steps we need to follow:

1. The member (or DC, or RC) starts an email chain with the current supervising coordinator chain up to the NC and from the 'new' supervising coordinator to that RC. (If you need assistance finding your new coordinator, please reach out to your new RC). Please include [anc.cos@mindseysociety.org](mailto:anc.cos@mindseysociety.org) in that email chain
2. Title the email "Member Name" "MES#" Inter-region Transfer
3. Attach your most recent prestige log. This is not required, but recommended so that you do not have to 'hunt' for prestige/emails from another region when you go up for additional/higher reviews.
4. Your CURRENT RC will send your prestige log to the ANC Prestige for a transfer lock at the National level.
5. Everyone on your email chain will need to approve your request. This is just a reply to the email that says 'Approved' or some variation of that.
6. You will be moved to your new domain by the National Coordinator.

**Note:** *Most RCs will not approve your transfer until your prestige lock has been confirmed. Sometimes we need additional information or confirmation of your move. This will make the process take slightly longer than 72 hours. This does not mean that you cannot collect prestige from your new domain or attend its functions, etc.*
