

Student Shout Outs!

Shout out to Ali this week! Saw that she won Kahoot, not once, but twice in the cooking class! Great job Ali!

Shout out to Jerett! During quarantine he took on the shop assignment of creating me a six foot staff to separate people at lunch! I have the staff in hand, and it is great. Be ready to be separated....:) Thanks Jerett!

Lastly, shout out to Foster this week! He is always respectful and kind in his interactions. On top of that, he is always willing to help fold up the chairs after our MS volleyball games. Thanks for the help Foster!

Weekly Calendar

Monday: MS Volleyball @ Mohawk

Tuesday: HS Volleyball vs Eddyville

Wednesday: Focus Schedule (Student of the month assembly). MS volleyball @ Eddyville.

Thursday: HS Volleyball double header vs Siletz

Friday: Football @ Eddyville. Game is at 3pm

News

We have a full week ahead of us. Can't believe September is already ending this week! P.S. I can't wait for Halloween :)

We have a Focus Schedule this week on Wednesday, but that is not for Focus, but to hold our Student of the Month Assembly! Make sure that we are sitting three feet apart on the blue tape during the assembly, and be willing to volunteer for your class to do the class competitions to win "THE DEBRA"!

HS sports are back and our volleyball team has home games on Tuesday and Thursday. The games on Thursday is actually a double header against Siletz and will start at 4:30 and 6pm.

Remember, entrance to our sporting events is free for everyone now! Concessions will be served at the games.

Remember to keep up with your grades in your classes. Progress reports will be here soon. Make sure to be checking your grades on Home Access. If you don't know how to log in, please let us know in the office.

Please keep following all of our Covid protocols so we can stay on campus, and I hope you have a great week!
