

Teacher Clarity Planning

Practice On your own write the learning intentions, rationale, and success criteria.

Standard <i>What are students learning today?</i>	
Learning Intentions <i>What are students learning today - What is the I Can Statement you will share with students?</i>	
Rationale <i>What will the learning intention enable students to do? This is the real world connection.</i>	
Success Criteria <i>How will students show that they have learned this? (What is necessary for mastery?) Ex. Students work must include...</i>
