

Warm Salutations James,

It's inspiring to see how dedicated you are to your passion. I notice your commitment shines through your posts and travels.

I enjoyed your recent video answering questions from Instagram. This video helps you stand out by answering your communities questions with honesty.

Leveraging your following is a great way to drive traffic to your products, and here is how I want to help.

I've come up with some ideas for Instagram captions. The captions would ignite curiosity, inspire action, lead viewers to your presets, and increase sales.

I have attached the captions for your consideration.

Are there any areas you'd like me to emphasize or include? I'd love to schedule a time to discuss this with you and see how we can work together to achieve your business goals.

Best Regards,

Josh Frye
