Here you are. On a Darwiz entertainment expose. You would most likely think I'd be exposing him for cringe content and darkshipping, but there's *way more than just that*. and that's what introduces us to..

It looks normal, right?

That's where you're **WRONG**.

Anyways, moving on to the **important part**, Murderousprincess is a BFDI artist, mainly known for her humanizations and flower pop art.

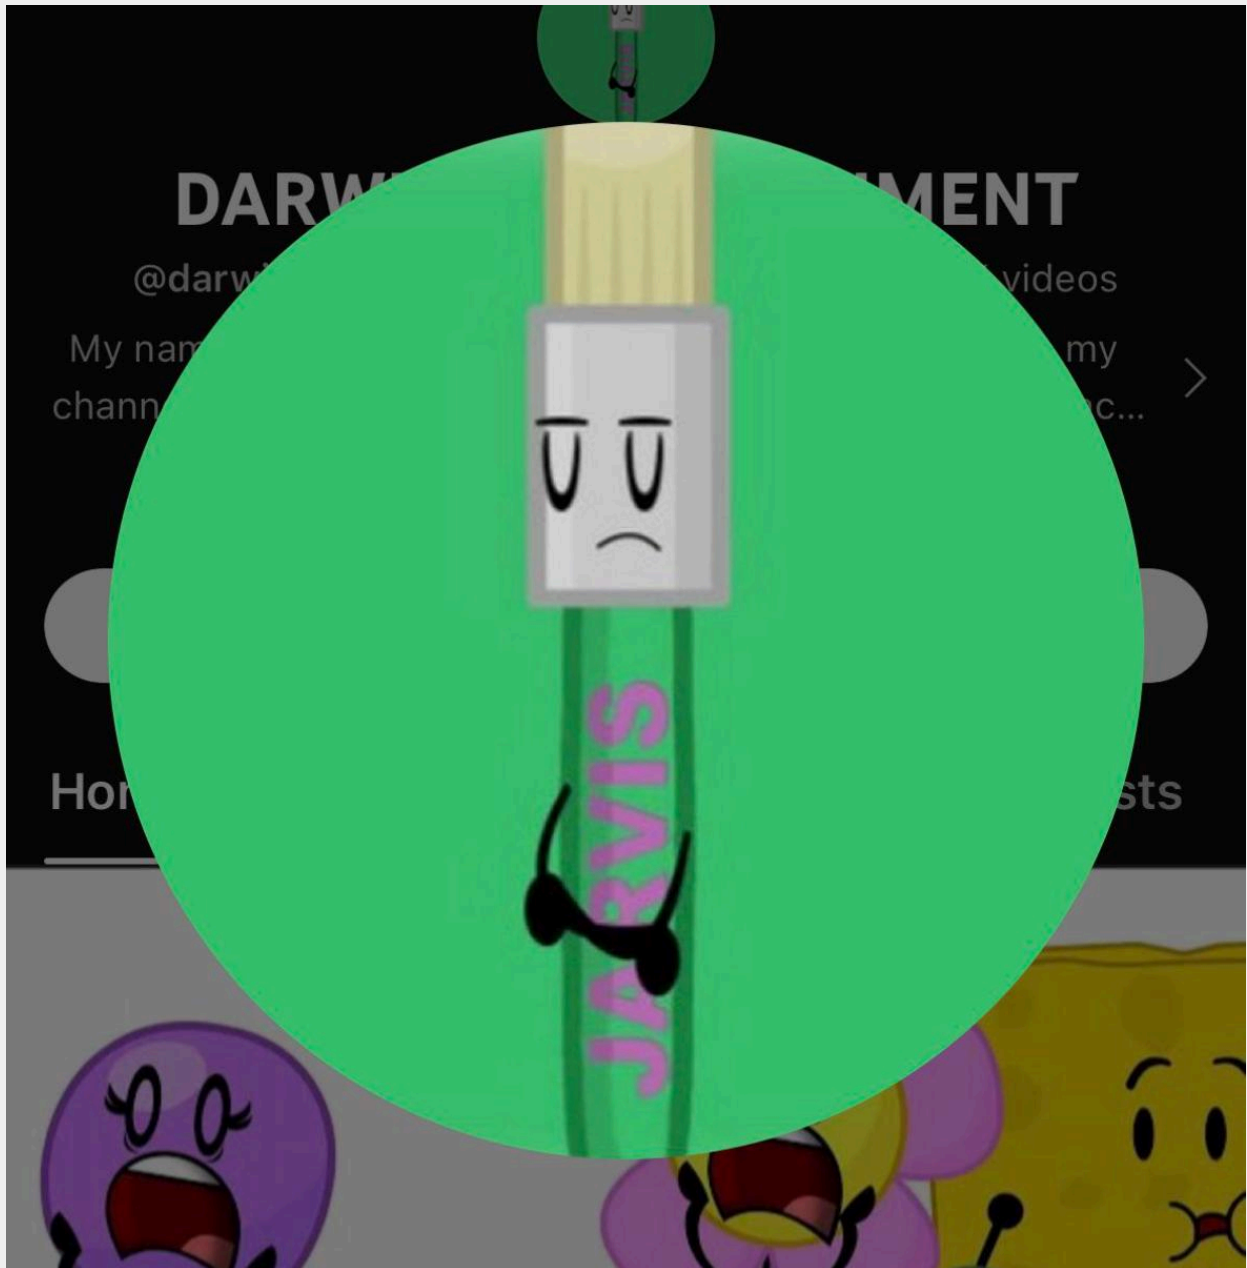

Darwiz was a big fan of her artwork. He has tons of videos on his Instagram page showing how much she loves murderousprincess, and the flower pop ship as a whole. But what's so different about him is, he took it to a whole new level.

His love for the art is bordering onto an obsession. Darwiz asked Barbie to give him a Google Drive folder full of her art, and she did. She didn't seem to know that Darwiz was obsessed with her, sometimes even reuploading HER art.

Things began to spiral out of control, as she blocked all of his accounts and even his EMAIL. Darwiz didnt take the rejection well and wanted to get on her good side, and even said "it's not fair I'm considered a creep!!" And the reason Barbie dislikes him is because Darwiz keeps on disrespecting her boundaries.

He changed the objectsona in his profile picture to look disappointed, which showed how distraught he was losing access to the folder.

You can look at it below this text:

He keeps making alts and trying to get access again, but murderousprincess keeps blocking them all. What makes it all worse is that murderousprincess was 17 at the time. And she was being groomed by DARWIZ.

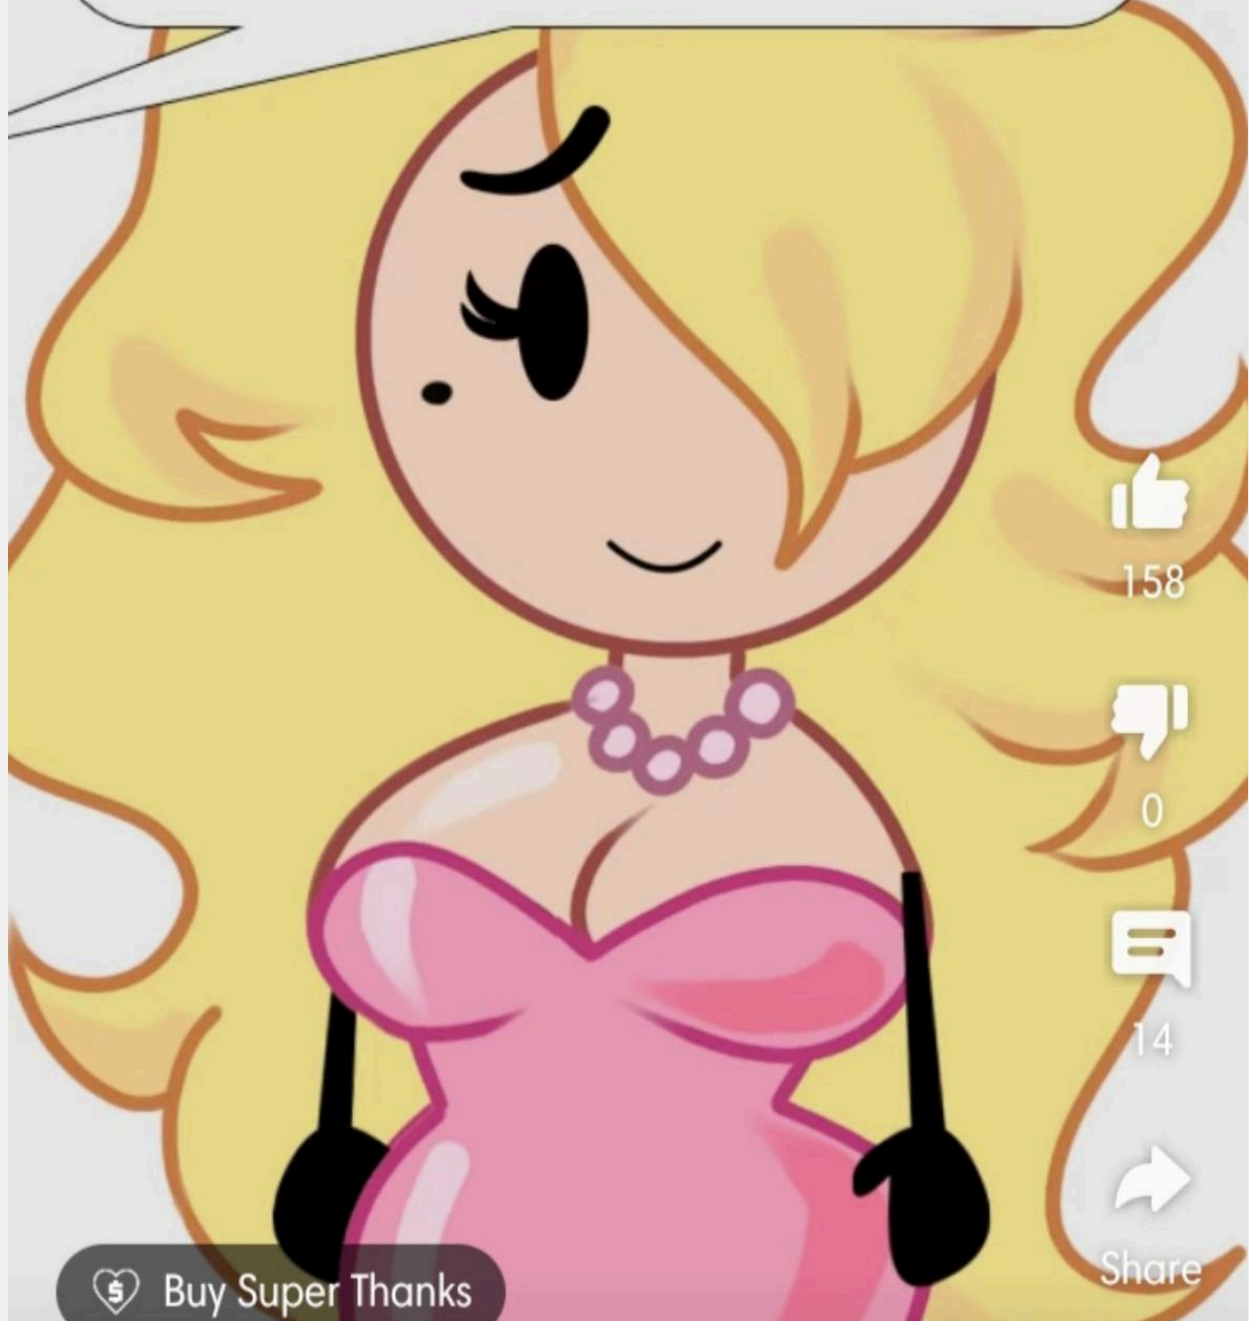

I can even provide you **MORE** examples of his weird obsession:

ahmadarwiz020 Princess Barbie is gone crazy that she  
started to killing someone, just for two of them. Her lover  
and herself.

Inspired by her personality from Princess Barbie herself,  
made by murderousprincess

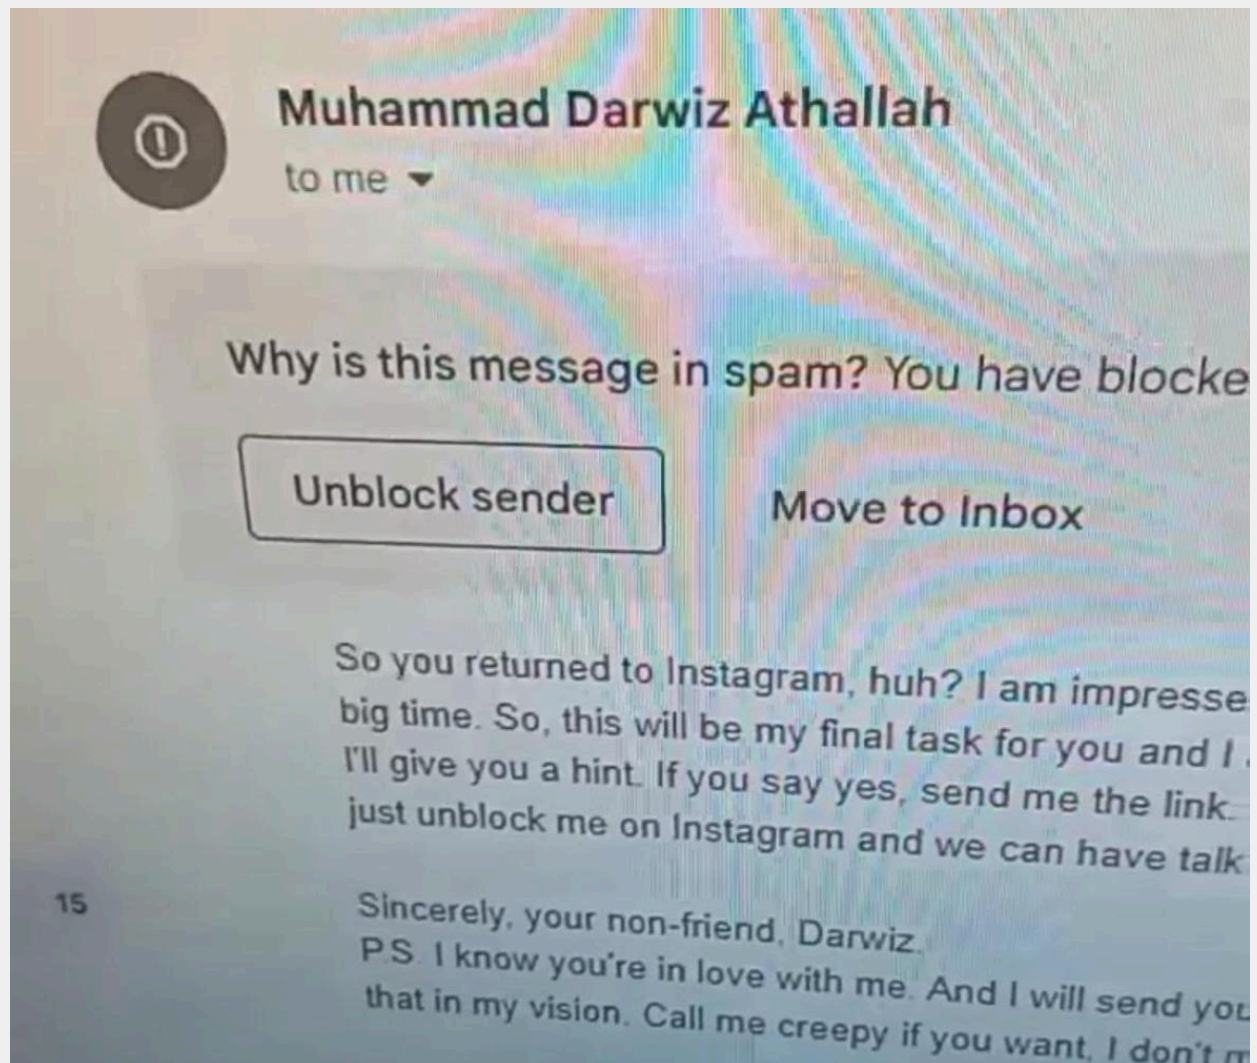

He even made THIS video with murderousprincess's  
objectsona: <https://youtu.be/kr5pPrYQCWk?feature=shared>

He also did this with OTHER PEOPLE too. He actually thinks that they love him and should marry him too. I'll give you more proof:

murderousprincess even has plain evidence in one of these links:

Hmm... I was wondering to myself. Is she going to working on nsfw artwork based on the idea I made? I said this to myself.

There's an idea for NSFW Artwork. Human Lollipop is taking a shower, but suddenly Human Flower appeared from behind and hug Lollipop and said, "Hello, Lolly. I wanna take a shower too. Let me wash you with my body." Lollipop got shocked and her body gets wash with Human Flower's body smoothly, even their breasts got pressed together, washing their armpits together, and then they kiss each other. Lollipop felt pleased and she got handjob from Flower.

Flower doing handjob on Lollipop and got came. Flower washes Lollipop's dick with her mouth until she came again. Lollipop said, "Ugh.. Flower, I think I feel sensitive and we should stop this. What the?" Suddenly she got lifted up her legs by Flower and doing the piledriver position. Flower licks Lollipop buttocks and Lollipop moaning really hard and often said, "Ahh.. Flower, please. It's too much, I'm gonna." Flower said, "Not yet. You need to cum inside me." Flower decided to fuck Lollipop by putting Flower's vagina into Lollipop's dick. Flower holds Lollipop's legs and doing the amazon position. Flower felt good and so does Lollipop while she cried all over her face for pleasure and said, "Flower.. Please.. Have mercy. Ahhh.. I think I'm dying now.. You succubus. Oh sh!t, I'm gonna-". Flower said, "Yes, Lolly! Cum inside me! Aaahh!" Finally, their came each other inside. Flower felt better, while Lollipop already dried out, again. Flower decided to wash Lollipop together. After shower, Flower lifted up Lollipop's body and put her in the bed and give her a goodnight kiss and often said, "Goodnight, hun. Thanks for showering together." And then Flower decided to sleep together with Lollipop, and Lollipop herself smiled after she got goodnight kiss from Flower.

Idea for you to draw.  
Human Flower giving  
Human Lollipop paizuri  
with her big breasts  
and her pleasure face.  
Since Human Lollipop  
felt sensitive and being  
submissive on this  
one. She can't hold it  
any longer and got  
came at Human  
Flower's face. Human  
Flower felt satisfied  
that she wanted to do  
that again until Human  
Lollipop got drained.  
With her mercy face  
and tears on her eyes  
for stop, but Human  
Flower won't stop until  
she makes Lollipop  
came for 5 times in a  
row. After that, Lollipop  
got passed out and  
Flower said "Thank you  
for helping me out, my  
dear. Love you." with  
her happy face and  
nicely. And Lollipop  
puts thumbs up as in  
no problem, hun.

Darwiz STILL contacts Barbie through his close friends' stories, and once told her it's his birthday (March 11) only so she could give him free  SFW.

On top of that, he has also used her sona WITHOUT HER PERMISSION. (warning for mention of **NSFW** content)

**23:10** is actually my sona that darwiz has been using in his videos without my permission!! He turned me into an object shows character and ships himself with me, He animated a video about me, flower and lollipop having a....Um well something that involves three people... among other things like animating himself kissing me etc.

@princessbarbie6999 • 2mo ago

The motivation behind all of these videos he made was because of me, cause I'm a flowerpop shipper, the video in the thumbnail was made because he was pressuring me into making nsfw content following that exact plot

but barbie wasn't the only minor Darwiz was flirting with. He flirted with another 17 (now

19) year old in the past.

### **PART 1 CONCLUSION:**

Darwiz keeps breaking Barbie's boundaries, even reuploading her art and using her OC in his videos against her wishes.

Now, moving to part 2: **Darwiz and Mango Juice.**

(This part doesn't go against Mae's wishes, thankfully.)

Mango Juice's creator wanted Darwiz to make a video including her joke OC, so her and her friends could laugh at it. She acted really nice to Darwiz only to get a rude attitude in return.

Then, she prepared the asset of her OC, but Darwiz was VERY impatient and was always complaining about the asset not being a png, constantly rushing and pressuring her. It also took 3 hours to make it a png.

When she finally made it a png, he turned her OC into his, giving a backstory like an abusive dad. You could see the evidence below this text:

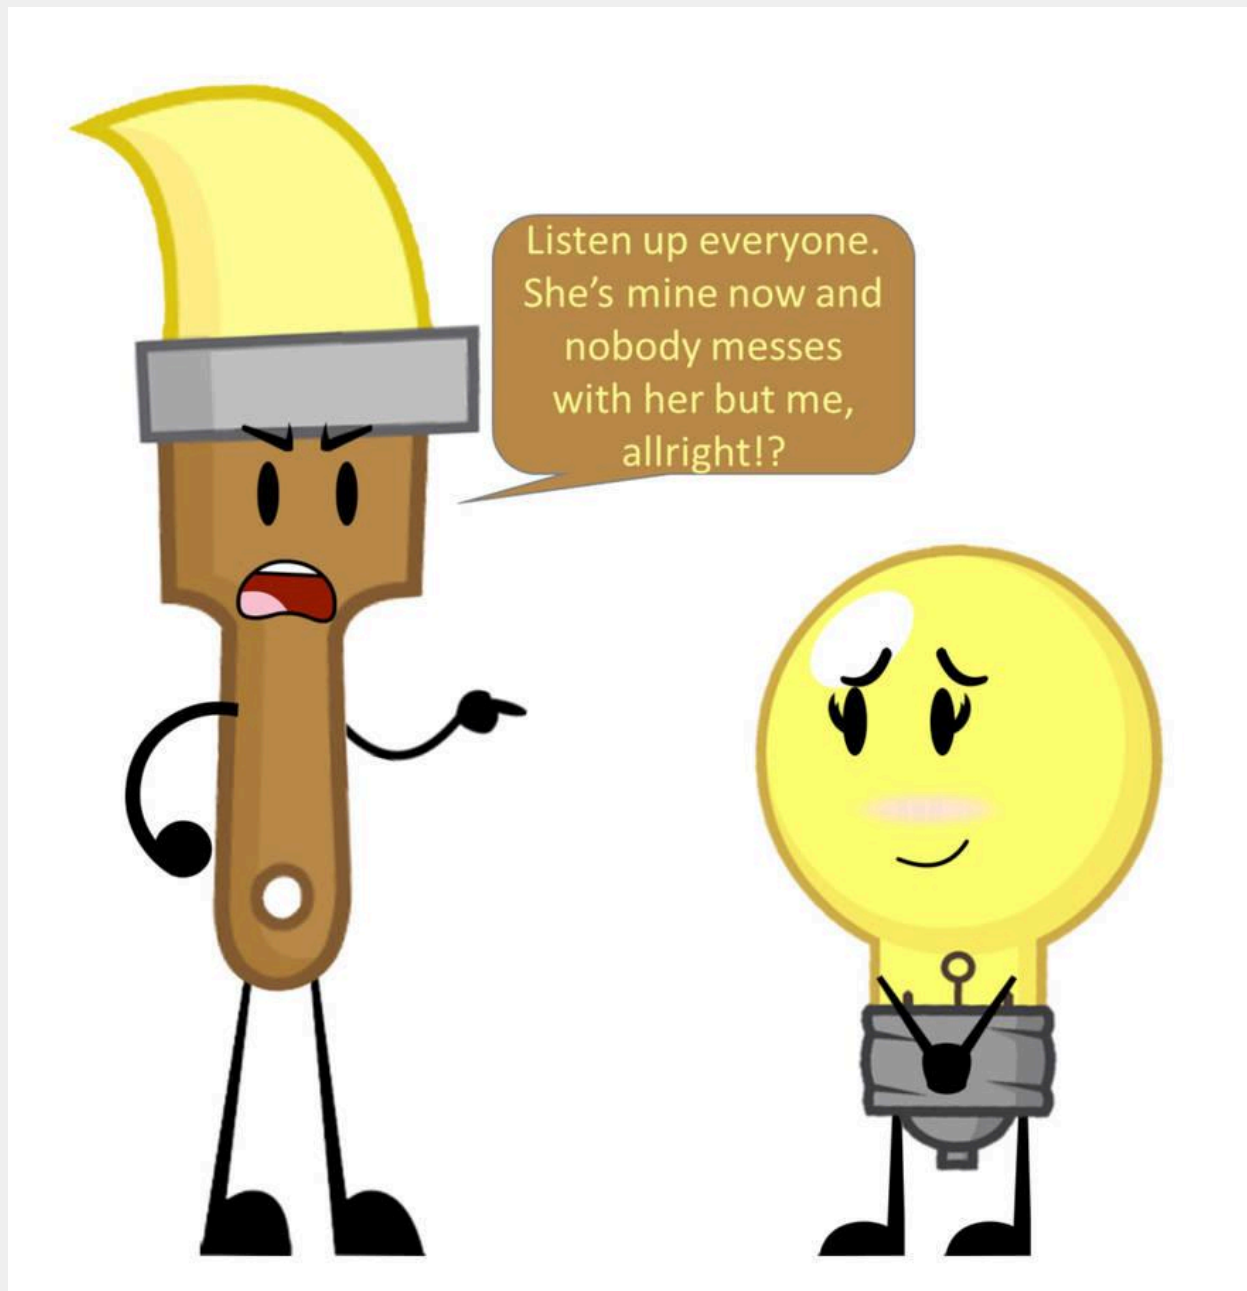

See how it says "MY father are incapable of emotions"? That shows how Darwiz tried to sneak in a backstory to someone's OC whilst adding things against their wishes at the same time.

Not only that, but it took Darwiz 5 weeks to upload the video. **5 WEEKS.**

**PART 2 CONCLUSION:**

Darwiz rushed Mae to make the asset a png, and took 5 weeks to make the video.

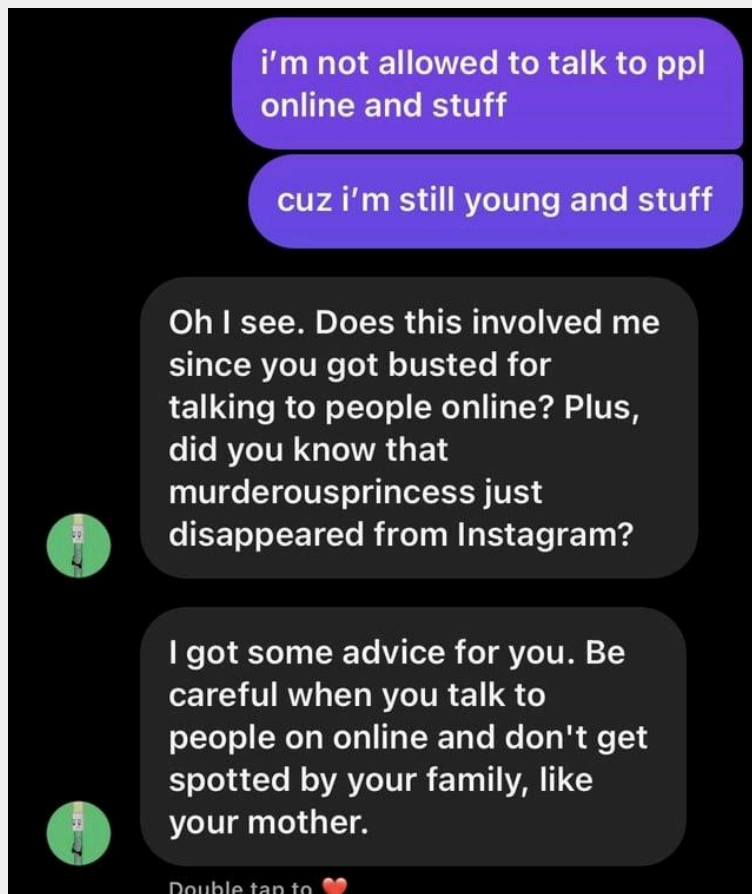

and wth is this? (Added by scicca)

back to the Mango Juice stuff, Darwiz also gave his friend Mango Juice's asset **without Mae's permission**. When Mae DID confront his friend, he kinda just deleted her comment. the link is here:

<https://m.youtube.com/watch?si=ARXANoPAP70t15B1&v=bnIE024Ff3U&feature=youtu.be>

however, Darwiz has ALSO given the same person questionable advice when they state they're young and not allowed to talk to strangers, which can be viewed below:

This document was featured in a video by SciccaAnimations. Thanks for featuring this document so people find out who he REALLY is behind closed doors.

For this, I'll add parts from HER video.

### Part 3: **Childishness, threats, and poor criticism hanfdling**

Darwiz has been treating his fans HORRIBLY by acting like an actual child when he gets even the SMALLEST form of criticism (even asking for credit is too much for him!)

[@Ahmadarwiz020 ADSA](#) Like my  
friend drew the human form of Golf  
Ball and it's appreciated if you ask  
and give credit to them.  
And I'm not being weird.. I'm pointing  
things out and constructive criticism  
is for the reason.

(You better not be making death  
threats to me or anyone else here  
because you should honestly act like  
an adult..)

So, everyone is here talk about Jess Jaffa, stupid constructive criticism, and other so called gibberish. But no one talks about the gag where Firey said that humanized Golf Ball is 12 but Firey Jr. said that she's thousand years old?

sigh Kids these days always talking nonsense and gibberish and talk about someone special that I didn't recognized.

He can't even take criticism well either, he throws a TEMPER TANTRUM and throws a fit over it. He even made THIS when someone (presumably) asked for a continuation of ASDF

or a request:

If you can't read the sign, it says this:

"Don't you believe it. It's just a scammer. Plus, ask for a request or continuation about ASDF again, your throat will be cut in half and your eyes will shove it into your butthole."

Keep in mind Darwiz is almost 25 now.

And acts like a third of his age.

Even a TODDLER can handle criticism better!

What's actually funny is that he made THIS video as response to his haters:

<https://youtu.be/DeBTDqBcYqs?feature=shared>

### **PART 3 CONCLUSION:**

Darwiz acts like a manchild who can't take any form of criticism, constructive or not.

But now here we are. Already part 4. Making sure I didn't forget the lock-on technology on part 3. Don't worry, I didn't forget.

#### Part 4 episode 1: Weird Flower Simp

It's safe to say that this person is down BAD for flower, even treating her like a gift from god.

THIS video should be an example: <https://youtu.be/J12JY7d1Iwo?feature=shared>

#### PART 4 EPISODE 1 CONCLUSION:

Darwiz is a weird flower simp. That's almost it.

#### Part 4 episode 2: Darkshipping (according to certain people)

This guy also ships Petunia with Gelatin (in which gelatin is thought to be a 12 y/o). He even has an ENTIRE playlist dedicated to his weird ship:

<https://youtube.com/playlist?list=PLYYW-uva2IuVWMzqOFXyqSajPxx3AVbFP&feature=shared>

What makes this worse is that he even made a video of petunia doing a FRENCH  kiss with a speculated minor: <https://youtu.be/bbBrpEfShnA?feature=shared>

What's worse is, the guy who made petunia (animationmattadams) even LIKES the ship.

#### PART 4 EPISODE 2 CONCLUSION:

Darwiz is according to SOME people some weird darkshipper, making some random RC and a **speculated** minor French kiss in a video.

#### DOCUMENT RECAP:

Darwiz groomed murderousprincess and thinks other people love him, was rude to someone before making their oc have a backstory, was a jerk to his own fans and acting immature to his haters, simp for flower and ships gelatin and petunia together, which could be seen as pedophilia by select amount of people.

If you're a fan of darwiz and are reading this doc, please know he's not a good person.

If you're darwiz AND reading this, get off the internet. don't even think about touching it. EVER AGAIN,

also how tf does he have over 21k subs??? he literally groomed and obsessed over someone when they were only 17.

**SPREAD THE WORD AND MAKE DARWIZ RESPONSIBLE FOR HIS ACTIONS!**

also, watch Thrarm Clip's video about him while you're at it:
