Dear Parents and Guardians,

Centennial Public School will not have school on Wednesday, 4/2/25, due to the funeral for Jordan Ortmeier, a Centennial secondary teacher and coach who passed away on March 26th. With the large number of people expected to be at the funeral that day, Centennial will serve as an overflow site and will be live streaming the funeral service in our auditorium at 10:30AM. If you would like to join us that day to honor Jordan, you and your family are welcome to come.

After the funeral there will be a luncheon served at Centennial with a prayer vigil following the luncheon at 1PM. If your family has a pastor, youth group leader, etc. that would like to be present at the vigil, they are certainly welcome. If they are planning to come, please have them contact the school district office. Having trusted people that our students are comfortable talking with is vital to the grieving process. Counselors and school staff will also be available that afternoon to assist with anyone needing to talk or process feelings. We know this is a very hard time for everyone who knew Jordan, but we hope to see you on April 2nd to help honor his life. If you have any questions feel free to call the school.

Linked below is the Obituary for Jordan Ortmeier who passed away on March 26th.
