

Privacy Policy

TOV SLOK makes the Список для чтения mobile application available to users free of charge and provides it on an "as-is" basis. This Privacy Policy describes how information is collected, used, and safeguarded when you access or use the application. By using Список для чтения, you confirm that you have reviewed and accepted the practices outlined in this Policy.

All information obtained through the application is used exclusively to deliver, support, and enhance the Service. We do not sell, rent, or otherwise share your personal information with third parties except as described in this Privacy Policy. Any capitalized terms not defined herein shall carry the meanings provided in the Terms and Conditions accessible within the Список для чтения application.

Information We Collect and How It Is Used

To maintain proper functionality and improve user experience, Список для чтения may request certain personally identifiable information. Any data collected is securely stored and processed strictly in accordance with this Privacy Policy.

The application may integrate third-party services that independently collect and process data. These services may include, but are not limited to:

- Google Play Services

Log Information

In the event of technical issues or application crashes, certain diagnostic data may be automatically gathered through third-party tools. This information may include your device's IP address, device model, operating system version, application settings, usage timestamps, and other technical details. Such data is used solely for troubleshooting, performance optimization, and maintaining the reliability of the Service.

Cookies and Tracking Technologies

Список для чтения does not directly use cookies. However, third-party components integrated into the application may utilize cookies or similar technologies for analytics and service improvement. You may manage or disable cookies through your browser or device settings, though doing so may limit certain functionalities of the application.

Third-Party Service Providers

We may engage third-party companies or individuals to assist with:

- Operating and maintaining the Service
- Providing specific services on our behalf
- Supporting application features
- Monitoring and analyzing user activity

These partners receive access only to the information necessary to perform their designated tasks and are

obligated to protect its confidentiality. They are not authorized to use the information for unrelated purposes.

Data Security

We implement commercially reasonable technical and organizational measures to protect your personal information. However, no method of internet transmission or electronic storage can be guaranteed to be completely secure. While we strive to protect your data, absolute security cannot be assured.

Links to External Services

The application may include links to external websites or services operated by third parties. If you access these links, you will be directed to platforms beyond our control. We encourage you to review the privacy policies of those services, as we are not responsible for their content, privacy practices, or data handling procedures.

Children's Privacy

Список для чтения is not intended for use by children under the age of 13. We do not knowingly collect personal information from children under 13 years old. If we become aware that such data has been collected, we will take immediate steps to delete it. Parents or guardians who believe their child has provided personal information are encouraged to contact us promptly.

Changes to This Policy

We may update this Privacy Policy periodically. Any revisions will be posted on this page, and continued use of the application after changes are published constitutes

acceptance of the updated Policy. Modifications become effective immediately upon posting.

Effective Date: February 17, 2026
