Abstract (Times New Roman, 10 pt, Tab 0.8 cm)

The abstract must be no more than 300 words and should be concise and include only the most important aspects of the study. The abstract should be a single paragraph and should follow the style of structured abstracts, but without headings: 1) Introduction: Place the question addressed in a broad context and highlight the purpose of the study; 2) Methodology: Describe briefly the main methods or treatments applied. Include any relevant preregistration numbers, and species and strains of any animals used. 3) Results and discussion: Summarize the article's main findings & discuss the result; and 4) Conclusions: Indicate the main conclusions or interpretations. The abstract should be an objective representation of the article: it must not contain results which are not presented and substantiated in the main text and should not exaggerate the main conclusions.

Keywords: Keyword, keyword, keyword (Times New Roman, 10 pt; 5 keywords/phrases)
