

Greetings Story School Families,

It is with great excitement that I write this letter of introduction to you as the new Principal of Story School. I am honored to have the opportunity to lead a school with emerging students, and an extremely dedicated staff. I feel very fortunate to be part of this school and to support the students and families. I will work hard to support and assist teachers with success, so that in return they will assist children with success on all levels.

As a proud MPS graduate, I have been dedicated to the field of education for more than twenty-four years. I come from a huge family of educators, so I have been in the education profession for over twenty years. I have worked with students ranging from kindergarten through high school in a variety of roles. I have been a Special Education Teacher, a Special Education Supervisor and Director, as well as a Literacy Coach and Curriculum Generalist. I am thrilled to bring my skills as an instructional leader to Story School and to work with you as a partner in education to ensure your child's success.

I view education as a life-long process and expect to continue learning as much about the exceptionality of Story this year, and for years to come. Most importantly, I bring a belief that students are at the center of all school-related decisions. I am super excited to continue to assist in supporting all students.

I also strongly feel relationships between families and the school are vital to the success of our students, I encourage you to become involved in every way possible. Together, I am confident we can make our students' early academic years meaningful! I look forward to meeting you and please do not hesitate to contact me with concerns or questions.

Sincerely,

Mrs. Chareese S. Morris
Principal Story School
