

PVMS 8th Period Programs (Intramurals and Co-Curricular Activities)

Spring 2026

Interested in an 8th period program? Please have a parent/guardian complete the [interest](#) form attached here no later than February 26th. Some clubs operate on a first come, first serve basis, while other clubs are offered by invitation or application only. Questions? Please contact Ms. Whitebloom @ jennifer_whitebloom@hcpss.org.

8th Period programs will run from December 2 through February 12, 2026. Pick Up time is 3:45 pm.

Activity List and Descriptions	Staff + Location	Day(s)
<u>Basketball Skill Building</u> Fundamentals of basketball are taught. Students will be able to use basic skills to compete against each other. No experience is needed.	Mr. Stancil The Gym	Tuesdays
<u>Dungeons & Dragons</u> Dungeons and Dragons is a tabletop role-playing game where players create imaginary characters to go on adventures, solve problems, and tell stories collaboratively with a Dungeon Master (DM) guiding the narrative. The club offers a fun, creative, and social environment for players of all experience levels to develop critical thinking, problem-solving, teamwork, and imagination through shared storytelling and dice rolls. All are welcome, no experience playing needed!	Mrs. Roberge-Iversen RM 104	Tuesdays & Thursdays
<u>Hispanic Heritage Dance Group</u> This club will provide a space and activities for students to come together after school: for community building, to encourage academic achievement and to promote Hispanic cultural awareness.	Ms. Arbelo Room 209	Tuesdays
<u>Lavender SAGA Leadership</u> A safe space for students to talk about their experience in and out of school. Students will embark on journeys of community building, self-help, and school improvement. This club is for students in the LGBTQ+ community and allies to support each other and advocate for positive change at PVMS.	Ms. Gentner Mr. Hoffman RM 129	Tuesdays
<u>MESA (Math, Engineering, Science Achievement) - by invitation only</u> MESA uses a project-based approach to teach fundamentals of engineering and computer science. It develops leadership skills while using a unique combination of enrichment activities, hands-on competitions, and academic support. Ms. Galloway will connect with students in the MESA club.	Ms. Galloway Tech Ed	Wednesdays
<u>National Junior Honor Society - by application only</u> NJHS is a leadership and community service organization for students who have applied and been accepted. NJHS is the leader among organizations that promote appropriate recognition for students who reflect outstanding accomplishments in the areas of leadership, service, character, and citizenship.	Ms. Chelidona Ms. Langan Media Center	Wednesdays

Pick up an application from Ms. Chelidona or Ms. Langan		
<u>Soccer Club</u> Fall-Students will learn different drills and participate with soccer games. Spring-An introduction to Bocce Ball.	Mr. Tijerina Outside/Blacktop	Thursdays
<u>Stepping to Success: Step Team Club Level I</u> The Step Team Club I is an exciting opportunity for novice learners (6th graders) to express themselves through rhythmic movement and teamwork. Stepping is a form of dance that uses the body as an instrument, creating beats and rhythms through clapping, stomping, and vocalizations. In this club, students will learn basic stepping routines, develop coordination, and strengthen their ability to work as a team. No prior experience is required -- just an enthusiasm and willingness to learn. Through this high-energy art form, participants will build self-confidence, discipline, and school spirit while celebrating the power of unity and creativity. Students will have opportunities throughout the school year to showcase their learning.	Ms. Peguese The Gym	Thursdays
<u>Stepping to Success: Step Team Club Level II</u> The Step Team Club II is an exciting opportunity for students – with prior experience (7th and 8th graders) – to learn lifelong team building and leadership skills while being able to express themselves through rhythmic movement and collaboratively synchronized stepping. Stepping is a form of dance that uses the body as an instrument, creating beats and rhythms through clapping, stomping, and vocalizations. In this club, students will learn basic synchronized commands, stepping components and level 1-3 step routine combinations, develop coordination, and strengthen their ability to work as a team. Through this high-energy art form, participants will build self-confidence, enhanced core coordination, mental memory discipline, and school spirit while celebrating the power of unity and creativity. There will be opportunities throughout the school year to showcase their learning on school campus and off campus.	Ms. Galloway The Gym	Thursdays
<u>Chess</u> Chess Club! All levels of players are welcome.	Mr. Nardolillo Room 134 (Media hallway)	Thursdays
