Our Spiritual Theme - 2021-2024

Our Board Spiritual Theme is “Gratitude, Rooted in Joy, Fills us with

Hope”. This year we will focus on Joy. The word Joy appears nearly 200 times in the Bible, which helps us understand just how important this really is. Joy is a condition of the heart. Joy is an internal experience, and even through our own circumstances, we can find joy with our faith in God

FALL

Fall Autumn officially begins later this week and the leaves are starting to show their beautiful fall colours. With cooler temperatures soon on the horizon, students are reminded to dress appropriately for the everchanging weather. Rain jackets and rubber boots are a good choice as students will go outside when there is light rain or mist.

Lockdown Practice

This year we will have lockdown practices. We are required to practice lockdowns two times a year. Teachers will review the steps during a lockdown with students prior to our practice. Our first practice is scheduled for the first week of October.
