INTENDED USE: c4 Doors and Phone

DATES: September 24 - November 3

Hi. My name is (blank) and I'm here with **Florida Rising**. May I speak with (blank)? We're out talking with neighbors today about making rent, light bills and other everyday expenses more affordable and Jacksonville more livable. We know these types of issues are on voters' minds when casting their ballot. What is your biggest concern for your family and our community?

SQ 1: 2026 Issue: 26 FLR Primary Issue

What issue is your biggest concern for your family and our community?

- Rent is too high
- Rental conditions/Standing up to bad landlords
- Other housing costs (Insurance, challenges to becoming homeowners)
- Light and water bills
- Clean air and water
- Being prepared for storms (and what comes next)
- Immigration Rights/Safety of our immigrant neighbors
- Voting Rights/Elections/Democracy
- Local Police/Policing
- Judges
- Bad conditions in prisons
- Other

Our Florida Rising members support candidates who are thinking about these issues everyday - not just when they are trying to get your vote. We actively support Representative Angie Nixon for the U.S. Senate because she has a long history of fighting for us. As a parent, community leader and as a member of the Florida House Representative Angie Nixon works 24/7 (for real) for renters, affordable and safe housing options, better policing standards and voting rights.

SQ 2: 2026 Candidate: 2026-AngieNixon-Sen

Can we count on your support/vote for Rep. Angie Nixon for U.S. SENATE?

A. Voter Expresses **Strong/Lean Support for Angie Nixon**

Your response: *Great! Welcome to the team! That means you are registered, right? If not, the deadline to register is October 5th.*

Use this link to update your voter registration : floridarising.org/vote/

B. Voter Expresses **Undecided or Not Voting**

Your response: *The issues we talked about are affecting families across Jacksonville. Elections determine who makes decisions about these issues and our families deserve stable neighborhoods and leaders who get it. Representative Angie Nixon can't fix it all on her own, nobody can, but she understands what everyday life feels like. In the Senate, she will support our communities and focus on making life more affordable, housing costs, and a democracy that works for us all.*

C. Voter Expresses **Lean Other/Strong Other**

Your response: *Thank you for sharing.*

Now let's talk about Amendment 3, the property tax scam that will make life even more unaffordable for working families. It is a state constitutional amendment that will be on your ballot this November. If Amendment 3 passes with over 60%, it will cut \$12 billion in revenue for local governments around the state. The bigger the property, the bigger the tax break and the tax cut will be passed on to working families in the form of increased sales taxes, rents, new fees to use our water utilities, parks, libraries, and even job cuts while also cutting local services like flood prevention, road maintenance, public transportation, housing assistance and more.

SQ 3: 2026 Issue: 2026-Amendment3-Tax

Will you vote NO on Amendment 3?

A. Voter Expresses **Strong Vote NO**

Your response: *Great! Welcome to the team!*

B. Voter Expresses **Lean Vote NO or Undecided**

Your response: *Do you agree that hardworking families need real affordability relief, not a scam that cuts essential local services? I think we can all agree we need to root out corruption, but eliminating property taxes is not the answer. In November millions of Floridians are going to VOTE NO ON 3 to stop billionaire and corporate tax breaks that raise our costs and cut our services. Will you vote to keep our money where it belongs: in our pockets and in our communities?*

C. Voter Expresses **Lean or Strong Vote YES**

Your response: *Thank you.*

Note to canvassers/phone bankers:

If the voter supports Representative Nixon, voting No on Amendment 3, or both proceed to question 4.

If the voter does not support Representative Nixon or voting No on Amendment 3, end the conversation with “thank you for sharing and have a nice day”.

B. Voter Expresses **Lean Vote NO or Undecided**

Your response: Amendment 3 is not a cost savings for homeowners; it is a cost shift.

And, renters will not experience any cost savings if Amendment 3 passes. Most cities and counties will try to make up for the loss of property tax revenue by increasing taxes and assessments on commercial landlords. Commercial landlords will make up for their increased taxes and assessments by raising rents.

It will cut \$46 billion in revenue over the next 5 years for local governments and we will all be asked to make up the difference in lost revenue by being forced to pay higher sales taxes and new fees to maintain existing services, that include:

- Trash pickup
- Streetlights
- Water and utilities
- Ambulance services
- Police
- Parks
- Libraries

Further, even while paying increased fees, Amendment 3 may lead to cuts in local services like flood prevention, road maintenance, public transportation and housing assistance.

What do you think - Will you vote to keep our money where it belongs: in our pockets and in our communities?

DATES: September 24 - November 3

Hi. My name is (blank) and I'm here with **Florida Rising**. May I speak with (blank)? We're out talking with neighbors today about making rent, light bills and other everyday expenses more affordable and Jacksonville more livable. We know these types of issues are on voters' minds when casting their ballot. What is your biggest concern for your family and our community?

SQ 1: 2026 Issue: 26 FLR Primary Issue

What issue is your biggest concern for your family and our community?

- Rent is too high
- Rental conditions/Standing up to bad landlords
- Other housing costs (Insurance, challenges to becoming homeowners)
- Light and water bills
- Clean air and water
- Being prepared for storms (and what comes next)
- Immigration Rights/Safety of our immigrant neighbors
- Voting Rights/Elections/Democracy
- Local Police/Policing
- Judges
- Bad conditions in prisons
- Other

Our Florida Rising members support candidates who are thinking about these issues everyday - not just when they are trying to get your vote. We actively support Representative Angie Nixon for the U.S. Senate because she has a long history of fighting for us. As a parent, community leader and as a member of the Florida House Representative Angie Nixon works 24/7 (for real) for renters, affordable and safe housing options, better policing standards and voting rights.

SQ 2: 2026 Candidate: 2026-AngieNixon-Sen

Can we count on your support/vote for Rep. Angie Nixon for U.S. SENATE?

J. Voter Expresses **Strong/Lean Support for Angie Nixon**

Your response: *Great! Welcome to the team!*

K. Voter Expresses **Undecided or Not Voting**

Your response: *The issues we talked about are affecting families across Jacksonville. Elections determine who makes decisions about these issues and our families deserve stable neighborhoods and leaders who get it. Representative Angie Nixon can't fix it all on her own, nobody can, but she understands what everyday life feels like. In the Senate, she will support our communities and focus on making life more affordable, housing costs, and a democracy that works for us all.*

L. Voter Expresses **Lean Other/Strong Other**

Your response: *Thank you for sharing.*

Now let's talk about Amendment 3 – the scam that will give tax breaks to billionaires and big corporations and make life even more unaffordable for working families. It's a property tax amendment that will be on your ballot this November. If it passes with 60% or more - The bigger the property, the bigger the tax break and the tax cut will be passed on to working families.

In November millions of Floridians are going to VOTE NO ON 3 to stop billionaire and corporate tax breaks that raise our costs and cut our services. Will you vote to keep our money where it belongs: in our pockets and in our communities?

SQ 3: 2026 Issue: 2026-Amendment3-Tax

Will you vote NO on Amendment 3?

A. Voter Expresses **Strong Vote NO**

Your response: *Great! Welcome to the team!*

B. Voter Expresses **Lean Vote NO or Undecided**

Your response: Amendment 3 is not a cost savings for homeowners; it is a cost shift.

And, renters will not experience any cost savings if Amendment 3 passes. Most cities and counties will try to make up for the loss of property tax revenue by increasing taxes and assessments on commercial landlords. Commercial landlords will make up for their increased taxes and assessments by raising rents.

It will cut \$46 billion in revenue over the next 5 years for local governments and we will all be asked to make up the difference in lost revenue by being forced to pay higher sales taxes and new fees to maintain existing services, that include:

- Trash pickup
- Streetlights
- Water and utilities
- Ambulance services
- Police
- Parks
- Libraries

Further, even while paying increased fees, Amendment 3 may lead to cuts in local services like flood prevention, road maintenance, public transportation and housing assistance.

What do you think - Will you vote to keep our money where it belongs: in our pockets and in our communities?

C. Voter Expresses **Lean or Strong Vote YES**

Your response: *Thank you.*

Note to canvassers/phone bankers:

If the voter supports Representative Nixon, voting No on Amendment 3, or both proceed to question 4.

If the voter does not support Representative Nixon or voting No on Amendment 3, end the conversation with “thank you for sharing and have a nice day”.

We're working to make sure that everyone knows their options for voting in the November 3rd election. **Have you received your Vote by Mail ballot?**

If YES - Your response: *Great - What's easier than voting from home? Have you returned your voted ballot to your county Supervisor of Elections.*

If YES - Your response: *Great!*

Caller/Canvasser - Mark “Already Voted” in the next section below and continue.

If the voter has not returned their voted ballot move on to the next section and go to Vote By Mail response.

SQ 4: 2026 Voting: 26VoteMethodScale

How do you plan to vote in the {ElectionName}?

Your response: *The Duval Supervisor of Elections must receive your vote by mail ballot by election day, Tuesday, November 3rd at 7:00 pm to be counted.*
