Presenter	Agenda Item	Discussion	Action and Outcomes
Chair Harrison	Meeting Minutes March 21, 2023	Motion: Discussion: Action: Minutes approved by consensus	APPROVED
Chair Harrison	Common Course Numbering AHSS List	Motion: Danny made a motion to accept the syllabi and course numbering of the COM courses and the ENG/WR course number change. Michael made a second. Discussion: Emily needs to get these courses added to the schedule. At this time these are not built and available in the schedule for summer or fall term. Students will not be able to select these courses during registration without them. Michael shared that according to the EPCC Handbook, if it isn't a significant change, it isn't required to run through EPCC. Mike encouraged Tim to look into this. Emily shared that because this is a legislative mandate, this is required. Tim indicated that the only thing EPCC is approving is a course number change, the syllabus will come forward once the ENG/WR department approves and moves it forward. Tim will make a request to the Eng/WR program to submit the syllabi at the next EPCC meeting. Emily will start making system changes. Action: Unanimously approved	APPROVED
Chair Harrison	Common Course	Motion: Danny moved to approve the numbering and syllabi. Jerred made a second.	APPROVED
