

Review Form – Technical Note Editorial

Please review each item and mark the appropriate column with an 'X'. After completing the form, save it and upload it to the journal system.

Section	Item	Yes	Partially	No
Relevance and Focus	Is the topic relevant to the scope and readership of the journal?			
	Does the submission clearly address a specific issue, insight, or idea?			
Originality and Contribution	Does the piece offer a novel perspective, technical insight, or timely opinion?			
	Does it contribute meaningfully to academic or professional discourse?			
Structure and Clarity	Is the text logically organized and easy to follow?			
	Are the main points or messages clearly expressed?			
Writing Style and Professionalism	Is the writing style professional, clear, and grammatically correct?			
	Is inclusive and respectful language used throughout?			
References (if applicable)	Are citations used appropriately to support key points (if required)?			

Comments to the authors:

Indicate what improvements authors should address and in which section of the manuscript.

NOTE: UPLOAD THIS COMPLETED FORM TO THE CENIIAC JOURNAL PLATFORM
