

Terms of Use — Scanner-ID

Last updated: June 23, 2026

1. Acceptance. By using Scanner-ID ("the App"), provided by Sahan Kara, you agree to these Terms.
2. What the App does. The App helps door staff and businesses read identity documents, estimate age, and manage VIP/banned lists for venues such as bars and clubs. It is an assistance tool and is not legal advice or a guarantee of a document's authenticity.
3. No guarantee / fraud detection. Document reading and any valid/expired/suspicious indication are best-effort and may be inaccurate. The App cannot reliably detect forged or altered documents. Always use your own judgment and follow applicable law. We are not liable for decisions made using the App.
4. Subscriptions. The App offers auto-renewing subscriptions (weekly and yearly) charged to your Apple ID. They renew automatically unless cancelled at least 24 hours before the period ends; manage or cancel in your App Store account. A free allowance of one scan per day is available without a subscription.
5. Acceptable use. Use the App lawfully and only for legitimate identity verification, obtaining any consents required by law from the individuals whose documents you scan.
6. Data. All data you process stays on your device (see Privacy Policy). You are responsible for that data.
7. Intellectual property. The App is owned by Sahan Kara and may not be copied or reverse-engineered except as permitted by law.
8. Disclaimer. The App is provided "as is" without warranties. To the maximum extent permitted by law, we are not liable for any damages arising from use.
9. Termination. We may suspend access for breach of these Terms.
10. Changes. We may update these Terms; continued use means acceptance.
