

#6

## **Subject Complements**

1) **Define** - a noun or adjective that modifies the subject and follows a **linking verb**

- PN = noun / pronoun
- PA = adjective

2) **Example** -

*Tom became a rock star.*

- Subject = Tom
- Linking Verb = became
- PN = star

*Bob is always late.*

- Subject = Bob
- Linking Verb = is
- PA = late

3) **Tips:**

- **Linking Verbs:** am, are, is, was, be, being, been, become, smell, look, taste, remain, feel, appear, sound, seem, grow, turn, stand (replace with am, are, is, was???)
