## Essay Questions

**Please kindly introduce yourself/yourselfs and your family: what do you do for a living? How did you meet? How long have you been together? How many children do you have? What are your hobbies and interests? Etc.**

**Please briefly explain your motives for pursuing surrogacy.**

## **Compatibility (short answers)**

**Please briefly explain how many embryos you would like to transfer and how many children you would like your surrogate to carry.**

**If the transferred embryo(s) splits and results in a multiple pregnancy, would you want a selective reduction performed?**

**Have you created your embryos? If you're working on embryo creation, please kindly describe the progress currently.**

**Was a sperm donor engaged or will be engaged to create the embryos?**

**Was an egg donor engaged or will be engaged to create the embryos?**

**Are the embryos PGS tested, or will they be tested?**

**Which IVF clinic and doctor are you currently working with? Please kindly provide us with the nurse coordinator(s)' email address(es) as well.**

**Is there anything regarding your health (HIV positive, Hep B, Hep C, etc.) that the surrogate should be made aware of?**

**If it is determined that the fetus has a birth defect (for example, Down's syndrome, Spinal Bifida, Cerebral Palsy, Dwarfism, or missing a limb/limbs), would you want the surrogate to terminate the pregnancy?**

**Would you be willing to work with a pro-life surrogate?**

**Do you require your surrogate to be vaccinated against Covid-19?**

**Do you have any specific requirements for your surrogate that we should be aware of?**

**Do you have any preferences for your surrogate that we should keep in mind when matching? (Please only include "nice to have" preferences here; requirements should be listed in the previous question.)**

## **Letter to Surrogate**

(this is for you to write a letter to your prospective surrogate)

(please attach 5 to 10 photos)
