Abstract

Abstract is written in English with 1 spacing, using 11 pt arial font and written in italic style. Abstract length is about 150-250 words. The content of an abstract is the background, research methodology and research results.

Keywords: *3-5 words (italic)*

A. INTRODUCTION (Garamond 12 pt, UPPERCASE, line spacing 1,15 and bold)

The introduction explains the background of the research, the main problems based on the literature review and the objectives and the originality (state of the art) of the research. The components that can be considered in the introduction are: (1) what is the significance of this article; (2) why it is important and original; (3) updates and differences from previous studies; (4) general and specific research objectives, and (5) who the results of this study are important to. There are no subsections in the introduction and it is recommended that the introduction consists of 4-8 paragraphs.

Articles consist of 3.000-6.000 words. The contents of the article (introduction-bibliography/reference) use the Garamond font with a size of 12 pt and 1,5 spacing or according to the template that has been created. Margin paper used is normal type (Top: 2,54 cm Left: 2,54 cm Bottom: 2,54 cm Right: 2,54 cm).

B. LITERATURE REVIEW (Garamond 12 pt, UPPERCASE, line spacing 1,15 and bold)

The literature review provides an explanation of the theory, concept definition, theoretical model framework and hypotheses built or proposed. Citation of writing using standard APA Style 6th edition (body note). Font Garamond 12, line spacing 1,5.
