

I know that my Redeemer lives

Triumphant Savior, Son of God Victorious over pain and death

**My King, my
Leader, and my
Lord
He lives, my one
sure rock of faith**

**The one bright hope
of men on earth
The beacon to a
better way**

**The light beyond the
veil of death
Oh, give me thy
sweet Spirit still**

**The peace that
comes alone from
thee**

**The faith to walk
the lonely road**

**That leads to thine
eternity**
