Subject	Inspiration In A Bottle!

You have to wait for "MUSE" to get creative, right? WRONG.

The secret to always staying creative! better than anything you have ever even thought of trying to do to improve your focus.

A hack! many think is impossible

Are you one of the people who find it hard staying disciplined and focused? Always want to be full of ideas and inspirations, but can't find the right mood to just sit, focus and create the best piece of work you have ever modeled?

If yes? then check this out.
