Dane County 4-H Horse and Pony Safety Clinic – 2026 Online Alternative

Youth new to the Horse and Pony project must complete a Safety Clinic before attending in-person clinics and the Dane County Fair in the future. Youth who have attended the safety clinic in the past can repeat the training if interested, but it is not necessary.

To complete the Safety Clinic Training, youth should review the reference resources listed below.

After reviewing the information, youth should complete the Safety Clinic Quiz. To get credit for the Safety Clinic, youth must attain a score of at least 9 out of 10 on the quiz. If youth receive less than 9, please review the material and retake the quiz. Responses are saved and passing grades will be recorded.

Please contact 4Hinfo@countyofdane.com if you have any questions.
