Team	Summary - Monday, Sept 16, 2024
Casita Cultura Latina - Health Guardians	CDC, USDA, zip code data, fast stats
Dermatology Advocacy Community Team (DermACT)	SEERS database, MIMIC-3, Census, Behavioral Risk Factor Surveillance System (BRFSS),
Food Insecurity in Worcester	
Genesis Club: A Community Mental Health Model for Recovery	Not much experience, CDC
Geriatrics– Fall Risk & Prevention for Older Adults	
Heartwell Institute: Holistic pathways to physical and mental well-being	CDC, USPSTF, NIH
HIV in Massachusetts: A state's action plan and community responses (Boston, Worcester, and Lawrence)	
Injury Prevention IS Public Health (Worcester DPH & UMMC Injury Prevention Department)	Census, CDC, CMS, CHSI, WISQARS
Intersectionalities of Homelessness and Substance Use Disorder in Worcester	SAMHSA, Census, CDC, Worcester County Insights
Language Access and Patient Encounters	
Living with Disabilities	We do not have much experience with databases, but we discussed regularly using CDC and census data

Moving Worcester: Meeting Worcester's Leaders in Physical Activity Promotion	
Parenting and Family Stability	CDC, census data,
Population Health Management at Massachusetts Medicaid/MassHealth (Boston)	The Neighborhood Atlas, US census, CDC, other HHS data, data.medicaid.gov
Prehospital Care and Disaster Management: Healthcare Across Diverse Populations	CDC, ACS, US census data, congressional district data, WHO
Preventative Health in Worcester Public Schools	CDC, Mass.gov/school-health-services-data , census
Prevention of Health Impacts of Climate Change: Focus on the City of Worcester	CDC (Heat and Health Tracker), International Monetary Fund Climate Change Dataset, US Government Open Data - Climate (Data.gov)
Providing Care for the Transgender and Nonbinary Individual	US Trans Survey, Human Rights Campaign
Providing Compassionate Care to Worcester's Population Experiencing Homelessness	Census, CDC, All of Us database, Worcester County Insights
Refugee and Immigrant Health in Worcester	CDC, National Cancer Database, NSQIP, TRAC immigration,
See It My Way: The VIPs (Visually Impaired Persons) of Worcester County	We have very little experience working with these population-based databases but are eager to get started! The Worcester county Insights dashboard appears to be a great resource for our project focusing on Worcester county.
UMass Memorial Health Doula Program	CDC, USPSTF, Kaiser Family Foundation, Worcester CHIP
Worcester Healthy Baby Collaborative Breastfeeding and Safe Sleep Project	MA public health tracker, CDC, Opportunity Insights, Child Protection unicef data, National Data Archive on Child Abuse and Neglect
Department of Children and Families (PURCH)	DCF internal data, CDC, Mass Legal Services, Mass.gov
Elias Brookings (PURCH)	
Northampton Department of Health and Human Services (PURCH)	We have moderate experience with data bases. We would recommend the US Census, CHIP and ChiaMass, which shows insurance usage in MA.
Nuestras Raíces (PURCH)	
ReGreen Springfield (PURCH)	
Safe SpaceProgram (PURCH)	
Springfield Food Policy Council (PURCH)	PolicyMap (available through the UMass Library), USDA ERS , US Census Bureau , Data.gov
Springfield PRIDE Parade (PURCH)	
Square One (PURCH)
