Dear Parents

Your son/daughter has indicated that he/she would like to participate in athletics or other extracurricular activities at Haughton Middle School. While we encourage our students to participate in athletic activities, we must make the parents aware of the possibility of your child being injured in practice or in a game. Student accident insurance is provided for your child while participating in athletic practices or games. I am enclosing an outline of the coverage this policy provides. This policy like most policies in effect today has a limited benefits schedule and **will not pay one hundred percent** of the charges incurred. The balance due is the obligation of the parents--not Haughton Middle School or the Bossier Parish School Board. This insurance is secondary to any health insurance already in force on your child. Before your child will be allowed to participate in athletic activities at Haughton Middle School, the bottom portion of this letter must be signed by you, dated and returned to the school to be filed. An extra copy of this letter is attached for your file records.

Please note this claim form must be received by the insurer with 90 days of injury date in order to be covered.

Please contact us at 549-5560 if you have questions or need additional information. This information is for the 2024-25 school year.
