-General Guidelines

I have the right to refuse any commission I am not comfortable with. I will let you know asap if your commission has been declined, and will give reason(s). Negotiations can be made.

A regular commission will include one character. Any additional characters or animals will be charged

Please be precise with what you want me to draw, ex. pose, clothing, etc. You can provide examples to make your request more specific. I'd rather you give me very clear instructions than have more creative liberty, as I want the completed artwork to be what you had in mind.

Any commission will take me within 2 days - a week to complete.

While I work, I will send you progress pictures to make sure that I am on the right track, and to let you know I am working on your commission. You do not have to answer immediately but I expect you to respond and let me know if I am going in the right direction. I will continue the commission as soon as you respond. I can either do this through dms, discord, or email, your choice.

Once your commission is finished, I will notify you before sending the file to you.

Usage Policy

Terms of Use

After the artwork is completed, I may post it to my socials or portfolio. Please let me know if you wish for me to keep the artwork private.

You may use the piece for personal use only. If you wish to post the finished piece as well, I must be credited and you cannot claim the art as your own.

You may not:

Use the copyrighted artwork commercially/make money off of my artwork.

Claim my artwork as your own.

Alter the artwork without my consent and claim it as your own.

-Process Revisions

If while I am working on your artwork, you wish to make a major change (ex. pose, detailed background, outfit/character design), it will be charged extra. ex. 1-5\$ depending on change(s) made

Minor changes (ex. facial expression, simple background, adding minor details) will be free.

You may request a revision within the first 24 hours after I have already sent you the finished piece, however it will be charged.

-Payment

I accept USD (U.S dollars). I only accept payment through Paypal or Cash App. I do not accept exposure as payment.

If you wish to commission me, there are two payment options:

-You can pay in full after I send you the completed sketch for your commission.

- Or you can pay half after the finished sketch, then the second half once the piece is done.

-Refunds/Cancellations

Once I have started your commission, I will let you know. You will be sent a sketch and from then on, you are not allowed to cancel/refund your commission.

If for any reason I am unable to finish your commission after the sketch has been sent and approved, you will receive a full refund.

Lastly, you have any questions whatsoever, please do not hesitate to ask me!
